Euro 8,000,000,000 Euro Medium Term Note Programme

Under the Euro Medium Term Note Programme (the “**Programme**”) described in this base prospectus (the “**Base Prospectus**”), Gecina (the “**Issuer**” or “**Gecina**”), subject to compliance with all relevant laws, regulations and directives, may from time to time issue Euro Medium Term Notes (the “**Notes**”). The aggregate nominal amount of Notes outstanding will not at any time exceed Euro 8,000,000,000 (or its equivalent in other currencies).

Application has been made to the *Autorité des marchés financiers* (the “**AMF**”) for approval of this Base Prospectus in its capacity as competent authority pursuant to Article 212-2 of its *Règlement général* (General Regulation) which implements the Directive 2003/71/EC of 4 November 2003 as amended (the “**Prospectus Directive**”). This Base Prospectus received the visa no. 18-074 on 6 March 2018 from the AMF and shall be in force for a period of one (1) year as of the date of its approval by the AMF.

Application may be made for Notes to be issued under the Programme for a period of twelve (12) months from the date of the visa granted by the AMF on this Base Prospectus to be admitted to trading on Euronext Paris and/or any other regulated market situated in a Member State of the European Economic Area (“**EEA**”) as defined in the Directive 2014/65/EU on markets in financial instruments, as amended (each such market being a “**Regulated Market**”). The Notes issued under the Programme may also be listed on an alternative stock exchange or market, or may be unlisted. The relevant final terms (the “**Final Terms**”) (a form of which is contained herein) in respect of the issue of any Notes will specify whether or not an application will be made for such Notes to be listed and/or admitted to trading and, if so, the relevant Regulated Market(s) or stock exchange(s) where the Notes will be listed and/or admitted to trading.

The minimum denomination of each Note admitted to trading on a Regulated Market in circumstances which require the publication of a prospectus under the Prospectus Directive will be €100,000 (or its equivalent in any other currency at the issue date), or such higher amount as may be allowed or required from time to time by the relevant monetary or financial authority or any laws or regulations applicable to the relevant Specified Currency (as defined in “**Terms and Conditions of the Notes – Interest and other Calculations**”).

Notes may be issued either in dematerialised form (“**Dematerialised Notes**”) or in materialised form (“**Materialised Notes**”) as more fully described herein.

Dematerialised Notes will at all times be in book entry form in compliance with Articles L. 211-3 *et seq.* of the French *Code monétaire et financier*. No physical documents of title will be issued in respect of Dematerialised Notes. Dematerialised Notes may, at the option of the Issuer, be (i) in bearer dematerialised form (*au porteur*) inscribed as from the issue date in the books of Euroclear France (“**Euroclear France**”) (acting as central depository) which shall credit the accounts of Account Holders (as defined in “**Terms and Conditions of the Notes – Form, Denomination(s), Title and Redenomination**”) including Euroclear Bank SA/NV (“**Euroclear**”), and the depository bank for Clearstream Banking S.A. (“**Clearstream**”) or (ii) in registered dematerialised form (*au nominatif*) and, in such latter case, at the option of the relevant Noteholder (as defined in “**Terms and Conditions of the Notes – Form, Denomination(s), Title and Redenomination**”), in either fully registered form (*au nominatif pur*), in which case they will be inscribed either with the Issuer or with the registration agent (designated in the relevant Final Terms) for the Issuer, or in administered registered form (*au nominatif administré*) in which case they will be inscribed in the accounts of the Account Holders designated by the relevant Noteholders.

Materialised Notes will be in bearer materialised form only and may only be issued outside France. A temporary global certificate in bearer form without interest coupons attached (a “**Temporary Global Certificate**”) will initially be issued in connection with Materialised Notes. Such Temporary Global Certificate will subsequently be exchanged for definitive Materialised Notes in bearer form with, where applicable, coupons for interest or talons attached on or after a date expected to be on or about the fortieth (40th) calendar day after the issue date of the Notes (subject to postponement as described in “**Temporary Global Certificates issued in respect of Materialised Notes**”) upon certification as to non U.S. beneficial ownership as more fully described herein. Temporary Global Certificates will (a) in the case of a Tranche (as defined in “**General Description of the Programme**”) intended to be cleared through Euroclear and/or Clearstream, be deposited on the issue date with a common depository on behalf of Euroclear and/or Clearstream and (b) in the case of a Tranche intended to be cleared through a clearing system other than or in addition to Euroclear and/or Clearstream or delivered outside a clearing system, be deposited as agreed between the Issuer and the relevant Dealer (as defined below).

At the date of this Base Prospectus, the Programme is rated BBB+ (senior unsecured debt) by Standard & Poor’s Credit Market Services France S.A.S (“**S&P**”) and A3 (senior unsecured debt) by Moody’s Investors Service Ltd. (“**Moody’s**”). The long term debt of the Issuer is currently rated BBB+ (with positive outlook) by S&P and A3 (with negative outlook) by Moody’s. Each of S&P and Moody’s is established in the European Union, registered under Regulation (EC) No 1060/2009, as amended (the “**CRA Regulation**”) and included in the list of registered credit rating agencies published on the European Securities and Markets Authority’s website (www.esma.europa.eu/supervision/credit-rating-agencies/risk) in accordance with CRA Regulation. Notes issued under the Programme may, or may not, be rated. The rating of the Notes, if any, will be specified in the relevant Final Terms. The relevant Final Terms will specify whether or not such credit ratings are issued by a credit rating agency established in the European Union and registered under the CRA Regulation. Where an issue of Notes is rated, its rating will not necessarily be the same as the rating assigned to the Issuer or the Programme. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change, or withdrawal at any time by the assigning rating agency.

The final terms of the relevant Notes will be determined at the time of the offering of each Tranche and will be set out in the relevant Final Terms.

This Base Prospectus and the documents incorporated by reference herein are available and may be obtained, free of charge, during usual business hours at the registered office of Gecina and at specified offices of the Paying Agent set out at the end of the Base Prospectus so long as any of the Notes are outstanding. Such documents will also be published on the website of the AMF (www.amf-france.org) and on the website of the Issuer (www.gecina.fr).

See “**Risk Factors**” for a discussion of certain factors which should be considered by prospective investors before deciding to invest in any of the Notes issued under the Programme.

The date of this Base Prospectus is 6 March 2018

This Base Prospectus (including the Documents Incorporated by Reference (as defined below)) contains all relevant information concerning the Issuer, the Issuer and its consolidated subsidiaries taken as a whole (the “Group”) and the terms and conditions of the Notes to be issued under the Programme, together with supplements to this Base Prospectus from time to time (each a “Supplement” and together the “Supplements”) constitutes a base prospectus for the purposes of Article 5.4 of the Prospectus Directive. In relation to each Tranche (as defined herein) of Notes, the Base Prospectus must be read in conjunction with the relevant Final Terms.

This Base Prospectus is to be read in conjunction with all documents which are incorporated herein by reference (see “Documents Incorporated by Reference” below) and may only be used for the purpose for which it has been published.

No person is or has been authorised to give any information or to make any representation other than those contained or incorporated by reference in this Base Prospectus in connection with the issue or sale of the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer, the Arranger or any of the Dealers (each as defined in “General Description of the Programme”). Neither the delivery of this Base Prospectus nor any sale made in connection herewith shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuer or the Group since the date hereof or the date upon which this Base Prospectus has been most recently supplemented or that there has been no adverse change in the financial position of the Issuer or the Group since the date hereof or the date upon which this Base Prospectus has been most recently supplemented or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

The distribution of this Base Prospectus and the offering or sale of the Notes in certain jurisdictions may be restricted by law. For a description of these and certain further restrictions on offers and sales of Notes and the distribution of this Base Prospectus, see “Subscription and Sale” below.

THE NOTES HAVE NOT BEEN AND WILL NOT BE REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”) OR WITH ANY SECURITIES REGULATORY AUTHORITY OF ANY STATE OR OTHER JURISDICTION OF THE UNITED STATES AND THE NOTES MAY INCLUDE MATERIALISED NOTES IN BEARER FORM THAT ARE SUBJECT TO U.S. TAX LAW REQUIREMENTS. SUBJECT TO CERTAIN EXCEPTIONS, NOTES MAY NOT BE OFFERED, SOLD OR, IN THE CASE OF MATERIALISED NOTES IN BEARER FORM, DELIVERED WITHIN THE UNITED STATES TO, OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS (AS DEFINED IN REGULATIONS UNDER THE SECURITIES ACT (“REGULATIONS”)), OR IN THE CASE OF MATERIALISED NOTES IN BEARER FORM, UNITED STATES PERSONS (AS DEFINED IN THE U.S. INTERNAL REVENUE CODE OF 1986, AS AMENDED). THE NOTES ARE BEING OFFERED AND SOLD OUTSIDE THE UNITED STATES TO NON-U.S. PERSONS IN RELIANCE ON REGULATIONS.

This Base Prospectus does not constitute an offer of, or an invitation or solicitation by or on behalf of the Issuer, the Arranger or any of the Dealers to subscribe for or purchase, any of the Notes.

MIFID II PRODUCT GOVERNANCE / TARGET MARKET – The Final Terms in respect of any Notes may include a legend entitled “MiFID II Product Governance” which will outline the target market assessment in respect of the Notes, taking into account the five (5) categories referred to in item 18 of the Guidelines published by the European Securities and Markets Authority (“ESMA”) on 5 February 2018 and which channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a “distributor”) should take into consideration the target market assessment; however, a distributor subject to Directive 2014/65/EU (as amended, “MiFID II”) is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue about whether, for the purpose of the MiFID Product Governance rules under EU Delegated Directive 2017/593 (the “MiFID Product Governance Rules”), any Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the MiFID Product Governance Rules. For the avoidance of doubt, the Issuer is not a MiFID regulated entity and does not qualify as a distributor or a manufacturer under the MiFID Product Governance Rules.

IMPORTANT - EEA RETAIL INVESTORS – If the Final Terms in respect of any Notes include a legend entitled “Prohibition of Sales to EEA Retail Investors”, the Notes are not intended to be offered, sold or otherwise made available to and, with effect from such date, should not be offered, sold or otherwise made available to any retail investor in the EEA. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; or (ii) a customer within the meaning of Directive 2002/92/EC (as

amended, the “Insurance Mediation Directive”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the “PRIIPs Regulation”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPS Regulation.

The Arranger and the Dealers have not separately verified the information contained in this Base Prospectus. None of the Dealers or the Arranger makes any representation, express or implied, or accepts any responsibility, with respect to the accuracy or completeness of any of the information in this Base Prospectus. Neither this Base Prospectus nor any other information supplied in connection with the Programme (including any information incorporated by reference) is intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Issuer, the Arranger or the Dealers that any recipient of this Base Prospectus or any other information supplied in connection with the Programme (including any information incorporated by reference) should purchase the Notes. Each potential purchaser of Notes should determine for itself the relevance of the information contained in this Base Prospectus and its purchase of Notes should be based upon such investigation as it deems necessary. None of the Dealers or the Arranger undertakes to review the financial condition or affairs of the Issuer or the Group during the life of the arrangements contemplated by this Base Prospectus nor to advise any investor or potential investor in the Notes of any information coming to the attention of any of the Dealers or the Arranger.

RISK FACTORS

The Issuer believes that the following factors may affect its ability to fulfil its obligations under the Notes issued under the Programme. All of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.

Factors which the Issuer believes may be material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

The Issuer believes that the factors (although not exhaustive) described below and in the documents incorporated by reference represent the principal risks inherent in investing in Notes issued under the Programme, but the Issuer may be unable to pay interest, principal or other amounts on or in connection with any Notes for other reasons and the Issuer does not represent that the statements below regarding the risks of holding any Notes are exhaustive. Prospective investors should also read the detailed information set out elsewhere in this Base Prospectus (including any documents incorporated by reference herein) and reach their own views prior to making any investment decision. In particular, investors should make their own assessment as to the risks associated with the Notes prior to investing in Notes issued under the Programme.

The order in which the following risks factors are presented is not an indication of the likelihood of their occurrence.

Terms used but not defined in this section will have the same meaning given to them in the “Terms and Conditions of the Notes”.

RISK FACTORS RELATING TO THE ISSUER

Factors that may affect the Issuer’s ability to fulfil its obligations under or in connection with Notes issued under the Programme.

The risk factors relating to the Issuer and its activity are set out in particular in pages 24 to 26 and 175 to 208 of the 2017 Registration Document which was filed with the AMF on 23 February 2018 under the registration number no. D. 18-0069 which is incorporated by reference to this Base Prospectus, as set out in the section “Documents Incorporated by Reference” of this Base Prospectus, and includes the following:

- Risks of change in the real estate market;*
- Corporate dispute risks;*
- Risks of a decrease in the financial occupancy rate;*
- Risks of obsolescence;*
- CSR risks;*
- Legal and tax risks;*
- Risks linked to failure to issue administrative permits and review;*
- Market risks;*
- Liquidity risks;*
- Counterparty risks;*
- Interest rate risks;*
- Asset valuation risks;*
- Risks linked to sub-contracting;*
- Risks related to insurance costs and lack of coverage for certain risks;*
- Risks linked to competition;*
- Risk of tenant insolvency;*
- Acquisition risks;*
- Property risks; and*
- Digital and technological risks.*

RISK FACTORS RELATING TO THE NOTES

Factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme.

The following paragraphs describe some risk factors that the Issuer believes are material to the Notes to be offered and/or admitted to trading in order to assess the market risk associated with these Notes. They do not describe all the risks of an investment in the Notes. Prospective investors should consult their own financial and legal advisers about

risks associated with investment in a particular series of Notes and the suitability of investing in the Notes in light of their particular circumstances.

1) The Notes may not be a suitable investment for all investors

Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the relevant Notes and the information contained or incorporated by reference in this Base Prospectus, or any applicable Supplement to this Base Prospectus or the relevant Final Terms;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the relevant Notes and the impact the relevant Notes will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understand thoroughly the terms of the relevant Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

2) General risks related to Notes

Set out below is a brief description of certain risks relating to the Notes generally.

Modification of the Terms and Conditions of the Notes

The Noteholders will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a *Masse*, as defined in Condition 11, and a General Meeting can be held. The Terms and Conditions permit in certain cases defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant General Meeting or did not consent to the Written Resolution and Noteholders who voted in a manner contrary to the majority. Noteholders may through Collective Decisions deliberate on proposals relating to the modification of the terms and conditions of the Notes subject to the limitations provided by French law.

Change of law

The Terms and Conditions of the Notes are based on French law in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change to French law or administrative practice after the date of this Base Prospectus.

Transaction costs

When Notes are purchased or sold, several types of incidental costs (including transaction fees and commissions) are incurred in addition to the current price of the security. These incidental costs may significantly reduce or even exclude the profit potential of the Notes. For instance, credit institutions as a rule charge their clients for own commissions which are either fixed minimum commissions or pro-rata commissions depending on the order value. To the extent that additional – domestic or foreign – parties are involved in the execution of an order, including but not limited to domestic dealers or brokers in foreign markets, Noteholders must take into account that they may also be charged for the brokerage fees, commissions and other fees and expenses of such parties (third party costs).

In addition to such costs directly related to the purchase of securities (direct costs), Noteholders must also take into account any follow-up costs (such as custody fees). Investors should inform themselves about any additional costs incurred in connection with the purchase, custody or sale of the Notes before investing in the Notes.

Taxation

Potential purchasers and sellers of the Notes should be aware that they may be required to pay taxes or documentary charges or duties in accordance with the laws and practices of the jurisdiction where the Notes are transferred or other jurisdictions. Potential investors are advised not to rely upon the tax summary contained in this Base Prospectus but to ask for their own tax adviser's advice on their individual taxation with respect to the acquisition, holding, disposal and redemption of the Notes. Only these advisors are in a position to duly consider the specific situation of the potential investor. This investment consideration has to be read in connection with the taxation sections of this Base Prospectus.

The proposed financial transactions tax

On 14 February 2013, the European Commission published a proposal for a directive (the “**Commission's proposal**”) for a common financial transaction tax (the “**FTT**”) in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the “**Participating Member States**”).

However, Estonia has since stated that it will no longer be a Participating Member State.

The proposed FTT has a very broad scope, and could, if introduced, apply to certain dealings in the Notes (including secondary market transactions) in certain circumstances.

Under the Commission's proposal, the FTT could apply in certain circumstances to persons both within and outside of the Participating Member States. Generally, it would apply to certain dealings in the Notes provided that at least one party to the transaction is established or deemed established in a Participating Member State and that there is a financial institution established or deemed established in a Participating Member State which is party to the transaction, acting either for its own account or for the account of another person, or acting in the name of a party to the transaction. A financial institution may be, or be deemed to be, “established” in a Participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a Participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a Participating Member State. The rates of the FTT shall be fixed by each Participating Member State but shall amount for transactions involving financial instruments other than derivative contracts to at least 0.1% of the taxable amount.

The FTT proposal remains subject to discussions between the Participating Member States. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional Member States may decide to participate and/or other Participating Member States may decide to withdraw.

Prospective holders of the Notes are advised to seek their own professional advice in relation to the FTT.

French insolvency law

Subject to the provisions of the relevant Final Terms, the Noteholders, in respect of all Tranches in any Series, will be grouped automatically for the defence of their common interests in a *Masse*, as defined in Condition 11. However, under French insolvency law, holders of debt securities are automatically grouped into a single assembly of holders (the “**Assembly**”) if a safeguard procedure (*procédure de sauvegarde*), an accelerated safeguard procedure (*procédure de sauvegarde accélérée*), an accelerated financial safeguard procedure (*procédure de sauvegarde financière accélérée*) or a judicial reorganisation procedure (*procédure de redressement judiciaire*) is opened in France with respect to the Issuer.

The Assembly comprises holders of all debt securities issued by the Issuer (including the Notes), whether or not under the Programme and regardless of their governing law.

The Assembly deliberates on the draft proposed safeguard plan (*projet de plan de sauvegarde*), draft accelerated safeguard plan (*projet de plan de sauvegarde accélérée*), draft accelerated financial safeguard plan (*projet de plan de sauvegarde financière accélérée*) or draft judicial reorganisation plan (*projet de plan de redressement*) applicable to the Issuer and may further agree to:

- increase the liabilities (*charges*) of holders of debt securities (including the Noteholders) by rescheduling payments which are due and/or partially or totally writing-off debts;
- establish an unequal treatment between holders of debt securities (including the Noteholders) as appropriate under the circumstances; and/or
- decide to convert debt securities (including the Notes) into securities that give or may give the right to share capital.

Decisions of the Assembly will be taken by a two-third (2/3) majority (calculated as a proportion of the amount of debt securities held by the holders expressing a vote). No quorum is required to hold the Assembly.

For the avoidance of doubt, the provisions relating to the Representation of the Noteholders described in the Terms and Conditions of the Notes set out in this Base Prospectus will not be applicable with respect to the Assembly to the extent they conflict with compulsory insolvency law provisions that apply in these circumstances.

Risks related to the structure of the particular issue of Notes

The Programme allows for different types of Notes to be issued. Accordingly, each Tranche of Notes may carry varying risks for potential investors depending on the specific features of such Notes. Set out below is a description of the most common of such features.

Subordinated Notes are subordinated obligations of the Issuer

In the event of any insolvency or liquidation of the Issuer, holders of Subordinated Notes would receive payments on any outstanding Subordinated Notes only after senior Noteholders and other senior creditors have been repaid in full, if and to the extent that there is still cash available for those payments. Thus, holders of Subordinated Notes generally face a higher performance risk than holders of Unsubordinated Notes. Although Subordinated Notes may pay a higher rate of interest than comparable notes which are not subordinated, there is an enhanced risk that an investor in Subordinated Notes will lose all or some of his investment should the Issuer become insolvent.

There are no events of default or cross default under the Subordinated Notes other than the liquidation of the Issuer

Pursuant to Condition 9, the Events of Default applicable to the Subordinated Notes are limited to the following events: (a) a judgment is rendered by any competent court declaring the transfer of the whole of the business (*cession totale de l'entreprise*) or the judicial liquidation (*liquidation judiciaire*) of the Issuer or (b) the Issuer is liquidated for any other reason. Condition 9 does not provide for events of default or cross default allowing acceleration of the Subordinated Notes if certain events occur. Accordingly, if the Issuer fails to meet any obligations under the Subordinated Notes, including the payment of any interest, investors will not have the right of acceleration of principal. Upon a payment default, the sole remedy available to Noteholders for recovery of amounts owing in respect of any payment of principal or interest on the Subordinated Notes will be the institution of proceedings to enforce such payment. Notwithstanding the foregoing, the Issuer will not, by virtue of the institution of any such proceedings, be obliged to pay any sum or sums sooner than the same would otherwise have been payable by it.

Undated Subordinated Notes are undated securities, with no specified maturity date

The Issuer is under no obligation to redeem or repurchase the Undated Subordinated Notes at any time, and, save as otherwise provided in the Final Terms, the Noteholders have no right to require redemption of the Undated Subordinated Notes. Therefore, prospective investors should be aware that they may be required to bear the financial risks of an investment in the Undated Subordinated Notes for an indefinite period.

Deferral of interest payment under the Undated Subordinated Notes

Interest relating to Undated Subordinated Notes (as defined in Condition 3(b)(i)) may be deferred on any Optional Interest Payment Date in accordance with the provisions of Condition 5(g) and any such failure to pay shall not constitute a default by the Issuer for any purpose. Any interest in respect of the Undated Subordinated Notes not paid on an applicable Optional Interest Payment Date will, so long as the same remains outstanding, be deferred and shall constitute Arrears of Interest and, if due for at least a year, bear interest, and shall be payable as outlined in Condition 5(g).

Any deferral of interest payments will likely have an adverse effect on the market price of the Undated Subordinated Notes. In addition, as a result of the interest deferral provision of the Undated Subordinated Notes, the market price of the Undated Subordinated Notes may be more volatile than the market prices of other debt securities on which original issue discount or interest accrues that are not subject to such deferrals and may be more sensitive generally to adverse changes in the Issuer's financial condition.

No limitation on issuing or guaranteeing debt ranking senior with the Subordinated Notes

There is no restriction on the amount of debt which the Issuer may issue or guarantee. The Issuer and its subsidiaries and affiliates may incur additional indebtedness or grant guarantees in respect of indebtedness of third parties, including indebtedness or guarantees that rank *pari passu* or senior to the obligations under and in connection with the

Subordinated Notes. If the Issuer's financial condition were to deteriorate, the Noteholders could suffer direct and materially adverse consequences, including loss of interest and, if the Issuer were liquidated (whether voluntarily or not), the Noteholders could suffer loss of their entire investment.

Any early redemption at the option of the Issuer (including the Clean-up Call Option, the Residual Call Option and the Make-Whole Redemption by the Issuer), if provided for in any Final Terms for a particular issue of Notes, could cause the yield anticipated by Noteholders to be considerably less than anticipated

The Final Terms for a particular Series of Notes may provide for early redemption at the option of the Issuer (including the Clean-up Call Option, the Residual Call Option and the Make-Whole Redemption by the Issuer). Such right of redemption is often provided for bonds or notes in periods of high interest rates. If the market interest rates decrease, the risk to Noteholders that the Issuer will exercise its right of redemption increases. As a consequence, the yields received upon redemption may be lower than expected, and the redeemed face amount of the Notes may be lower than the purchase price for the Notes paid by the Noteholder. As a consequence, part of the capital invested by the Noteholder may be lost, so that the Noteholder in such case would not receive the total amount of the capital invested. In addition, investors that choose to reinvest monies they receive through an early redemption may be able to do so only in securities with a lower yield than the redeemed Notes.

In particular, with respect to the Clean-up Call Option by the Issuer, there is no obligation under the Terms and Conditions of the Notes for the Issuer to inform investors if and when the threshold of 80% of the initial aggregate principal amount of a particular Series of Notes has been reached or is about to be reached, and the Issuer's right to redeem will exist notwithstanding that immediately prior to the serving of a notice in respect of the exercise of the Clean-up Call Option, the Notes may have been trading significantly above par, thus potentially resulting in a loss of capital invested.

Exercise of the Restructuring Put Option by the Noteholders in case of a Restructuring Put Event in respect of certain Notes may affect the liquidity of the Notes of the same Series in respect of which such option is not exercised

Depending on the number of Notes of the same Series in respect of which the Restructuring Put Option in case of a Restructuring Put Event provided in the relevant Final Terms is exercised, any trading market in respect of those Notes in respect of which such option is not exercised may become illiquid.

The Make-Whole Redemption by the Issuer or the Residual Call Option by the Issuer are exercisable in whole or in part and exercise of such options by the Issuer in respect of certain Notes may affect the liquidity of the Notes of the same Series in respect of which such option is not exercised

The Make-Whole Redemption by the Issuer provided in Condition 6(d) and the Residual Call Option by the Issuer provided in Condition 6(e) are exercisable in whole or in part.

If the Issuer decides to redeem the Notes in part, such partial redemption shall be effected by reducing the nominal amount of all such Notes in proportion to the aggregate nominal amount redeemed.

Depending on the proportion of the principal amount of all of the Notes so reduced, any trading market in respect of those Notes in respect of which such option is not exercised may become illiquid.

Fixed Rate Notes

Investment in Notes which bear interest at a fixed rate involves the risk that subsequent changes in market interest rates may adversely affect the value of the relevant Tranche of Notes.

Investors will not be able to calculate in advance their rate of return on Floating Rate Notes

Investment in Notes which bear interest at a floating rate comprise (i) a reference rate and (ii) a margin to be added or subtracted, as the case may be, from such base rate. Typically, the relevant margin will not change throughout the life of the Notes but there will be a periodic adjustment (as specified in the relevant Final Terms) of the reference rate (e.g., every three (3) months or six (6) months) which itself will change in accordance with general market conditions. Accordingly, the market value of Floating Rate Notes may be volatile if changes, particularly short term changes, to market interest rates evidenced by the relevant reference rate can only be reflected in the interest rate of these Notes upon the next periodic adjustment of the relevant reference rate. Should the reference rate be at any time negative, it could, notwithstanding the existence of the relevant margin, result in the actual floating rate, consisting in the reference rate and the relevant margin, be lower than the relevant margin, provided that in no event will the relevant interest amount be less than zero.

Zero coupon Notes

Changes in market interest rates have a substantially stronger impact on the prices of zero coupon notes than on the prices of ordinary notes because the discounted issue prices are substantially below par. If market interest rates increase, zero coupon notes can suffer higher price losses than other notes having the same maturity and credit rating. Due to their leverage effect, zero coupon bonds are a type of investment associated with a particularly high price risk.

Fixed to Floating Rate Notes

Fixed to Floating Rate Notes may bear interest at a rate that will automatically, or that the Issuer may elect to, convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The conversion (whether automatic or optional) will affect the secondary market in, and the market value of, such Notes since it may lead to a lower overall cost of borrowing. If a fixed rate is converted to a floating rate, the spread on the Fixed to Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If a floating rate is converted to a fixed rate, the fixed rate may be lower than then prevailing rates on its Notes.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

The regulation and reform of “benchmarks” may adversely affect the value of Notes linked to or referencing such “benchmarks”

Interest rates and indices which are deemed to be “benchmarks”, (including EURIBOR, LIBOR, EONIA and CMS Rate) are the subject of recent national and international regulatory guidance and proposals for reform. Some of these reforms are already effective whilst others are still to be implemented. These reforms may cause such benchmarks to perform differently than in the past, to disappear entirely, or have other consequences which cannot be predicted. Any such consequence could have a material adverse effect on any Floating Rate Notes linked to or referencing such a “benchmark”. Regulation (EU) 2016/1011 (the “**Benchmarks Regulation**”) was published in the Official Journal of the EU on 29 June 2016 and applies since 1st January 2018. The Benchmarks Regulation applies to the provision of benchmarks, the contribution of input data to a benchmark and the use of a benchmark within the European Union. It will, among other things, (i) require benchmark administrators to be authorised or registered (or, if non-EU-based, to be subject to an equivalent regime or otherwise recognised or endorsed) and (ii) prevent certain uses by EU supervised entities of “benchmarks” of administrators that are not authorised or registered (or, if non-EU based, not deemed equivalent or recognised or endorsed).

The Benchmarks Regulation could have a material impact on any Floating Rate Notes linked to or referencing a “benchmark”, in particular, if the methodology or other terms of the “benchmark” are changed in order to comply with the requirements of the Benchmarks Regulation. Such changes could, among other things, have the effect of reducing, increasing or otherwise affecting the volatility of the published rate or level of the “benchmark”.

More broadly, any of the international or national reforms, or the general increased regulatory scrutiny of “benchmarks”, could increase the costs and risks of administering or otherwise participating in the setting of a “benchmark” and complying with any such regulations or requirements. Such factors may have the following effects on certain “benchmarks” (including EURIBOR, LIBOR, EONIA and CMS Rate): (i) discourage market participants from continuing to administer or contribute to the “benchmark”; (ii) trigger changes in the rules or methodologies used in the “benchmark” or (iii) lead to the disappearance of the “benchmark”. Any of the above changes or any other consequential changes as a result of international or national reforms or other initiatives or investigations, could have a material adverse effect on the value of and return on any Floating Rate Notes linked to or referencing a “benchmark”.

Investors should consult their own independent advisers and make their own assessment about the potential risks imposed by the Benchmarks Regulation reforms in making any investment decision with respect to any Floating Rate Notes linked to or referencing a “benchmark”.

Future discontinuance of LIBOR may adversely affect the value of Floating Rate Notes which reference LIBOR

On 27 July 2017, the Chief Executive of the United Kingdom Financial Conduct Authority, which regulates LIBOR, announced that it does not intend to continue to persuade, or use its powers to compel, panel banks to submit rates for the calculation of LIBOR to the administrator of LIBOR after 2021. The announcement indicates that the continuation of LIBOR on the current basis is not guaranteed after 2021. It is not possible to predict whether, and to what extent, panel banks will continue to provide LIBOR submissions to the administrator of LIBOR going forwards. This may cause LIBOR to perform differently than it did in the past and may have other consequences that cannot be predicted.

Investors should be aware that, if LIBOR were discontinued or otherwise unavailable, the rate of interest on Floating Rate Notes which reference LIBOR will be determined for the relevant period by the fall-back provisions applicable to such Notes. Depending on the manner in which the LIBOR rate is to be determined under the Terms and Conditions, this may in certain circumstances (i) be reliant upon the provision by reference banks of offered quotations for the LIBOR rate which, depending on market circumstances, may not be available at the relevant time or (ii) result in the effective application of a fixed rate based on the rate which applied in the previous period when LIBOR was available. Any of the foregoing could have an adverse effect on the value or liquidity of, and return on, any Floating Rate Notes which reference LIBOR.

General Risks related to the market

Set out below is a brief description of the principal market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

Market value of the Notes

The market value of the Notes will be affected by the creditworthiness of the Issuer and a number of additional factors, including, but not limited to the market interest and yield rates and the time remaining to the maturity date.

The value of the Notes depends on a number of interrelated factors, including economic, financial and political events in France or elsewhere, including factors affecting capital markets generally and the stock exchanges on which the Notes are traded. The price at which a Noteholder will be able to sell the Notes prior to maturity may be at a discount, which could be substantial, from the issue price or the purchase price paid by such purchaser.

An active trading market for the Notes may not develop

There can be no assurance that an active trading market for the Notes will develop, or, if one does develop, that it will be maintained. If an active trading market for the Notes does not develop or is not maintained, the market or trading price and liquidity of the Notes may be adversely affected. Although particular series of Notes may specify that they are expected to be admitted to trading on Euronext Paris and/or any other Regulated Market in the European Economic Area, there is no assurance that any particular Tranche of Notes will be so admitted or that an active trading market will develop.

If a market for the Notes does develop, it may not be liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have an adverse effect on the market value of Notes.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. Such risks generally depend on a number of factors, including financial, economic and political events over which the Issuer has no control. An appreciation in the value of the Investor's Currency relative to the Specified Currency would

decrease (1) the Investor's Currency-equivalent yield on the Notes, (2) the Investor's Currency-equivalent value of the principal payable on the Notes and (3) the Investor's Currency-equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Credit risk

An investment in the Notes involves taking credit risk on the Issuer. If the financial situation of the Issuer deteriorates, it may not be able to fulfil all or part of its payment obligations under the Notes, and investors may lose all or part of their investment.

Credit ratings may not reflect all risks

One or more independent rating agencies may assign ratings to the Notes. The ratings assigned to the Notes by the rating agencies are based on the Issuer's financial situation but take into account other relevant structural features of the transaction, including, inter alia, the terms of the Notes, and reflect only the views of the rating agencies. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed in this paragraph, and other factors that may affect the value of the Notes. The ratings address the likelihood of full and timely payment to the Noteholders of all payments of interest on each interest payment date and repayment of principal on the final payment date. There is no assurance that any such ratings will continue for any period of time or that they will not be reviewed, revised, suspended or withdrawn entirely by the rating agencies as a result of changes in or unavailability of information or if, in the rating agencies' judgement, circumstances so warrant. A credit rating and/or a corporate rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

The credit ratings of the Issuer are an assessment of its ability to pay its obligations, including those on the offered Notes. Consequently, actual or anticipated declines in the credit ratings of the Issuer may affect the market value of the relevant Notes.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisors or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules. Neither the Issuer, the Dealer(s) nor any of their respective affiliates has or assumes responsibility for the lawfulness of the acquisition of the Notes by a prospective investor of the Notes, whether under the laws of the jurisdiction of its incorporation or the jurisdiction in which it operates (if different), or for compliance by that prospective investor with any law, regulation or regulatory policy applicable to it.

Potential conflict of interest

Certain of the Dealers, the Calculation Agent and their respective affiliates have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform services for, the Issuer and its affiliates in the ordinary course of business out of which conflicting interests may arise. Whilst they will, where relevant, have information barriers and procedures in place to manage conflicts of interest, they may in their other banking activities from time to time be engaged in transactions involving an index or related derivatives which may affect amounts receivable by Noteholders during the term and on the maturity of the Notes or the market price, liquidity or value of the Notes and which could be deemed to be adverse to the interests of the Noteholders.

Each Series may be issued in tranches (each a “**Tranche**”) on the same or different issue dates. The specific terms of each Tranche (which will be supplemented, where necessary, with supplemental terms and conditions and, save in respect of the issue date, issue price, first payment of interest and nominal amount of the Tranche, will be identical to the terms of other Tranches of the same Series) will be set out in the relevant final terms in relation to such Tranche (the “**Final Terms**”).

Status of the Subordinated Notes:	The subordinated notes (“ Subordinated Notes ”) will constitute direct, unsecured subordinated obligations of the Issuer in accordance with the provisions of Article L. 228-97 of the French <i>Code de commerce</i> , as set out in Condition 3(b) - see “Terms and Conditions of the Notes – Status of Subordinated Notes”. Unless otherwise permitted by then current laws and regulations, Notes (including Notes denominated in Sterling) which have a maturity of less than one (1) year and in respect of which the issue proceeds are to be accepted by the Issuer in the United Kingdom or whose issue otherwise constitutes a contravention of section 19 of the FSMA will have a minimum redemption amount of £100,000 (or its equivalent in other currencies).
Optional Redemption (including Make-Whole Redemption):	The Final Terms issued in respect of each issue of Notes will state whether such Notes may be redeemed prior to their stated maturity at the option of the Issuer (either in whole or in part) and/or the Noteholders and, if so, the terms applicable to such redemption.

In particular, if specified in the relevant Final Terms, the Issuer will have the option to redeem the Notes, in whole or in part, at any time or from time to time, prior to their Maturity Date, at the Make-Whole Redemption Amount.

See Condition 6 “Terms and Conditions of the Notes – Redemption, Purchase and Options”.

Redemption at the option of the Noteholders following a Restructuring Event:

If the Final Terms issued in respect of a Series of Notes so provide, each Noteholder will have the option to require the Issuer to redeem or, at the Issuer's option, repurchase its Notes at their principal amount together with accrued interest if a Restructuring Event occurs and within the Restructuring Period a Rating Downgrade or a Negative Rating Event in respect of that Restructuring Event occurs.

See Condition 6 “Terms and Conditions of the Notes – Redemption, Purchase and Options”.

Residual Call Option:

If a Residual Call Option by the Issuer is specified in the relevant Final Terms, the Issuer may redeem the Notes, in whole or in part, at par together with interest accrued to, but excluding, the date fixed for redemption (including, where applicable, any Arrears of Interest), at any time or from time to time during the period starting on (and including) the Initial Residual Call Option Date (as specified in the relevant Final Terms) and ending on (but excluding) the Maturity Date.

Clean-Up Call Option:

If a Clean-up Call Option by the Issuer is specified in the relevant Final Terms, in the event that at least 80% of the initial aggregate principal amount of a particular Series of Notes (which for the avoidance of doubt include any additional Notes issued subsequently and forming a single series with the first Tranche of a particular Series of Notes) has been purchased or redeemed by the Issuer, the Issuer may have the option to redeem all, but not some only, of the remaining Notes in that Series at their principal amount together with any interest accrued to the date fixed for redemption.

Redemption by Instalments:

The Final Terms issued in respect of each issue of Notes that are redeemable in two or more instalments will set out the dates on which, and the amounts in which, such Notes may be redeemed.

Early Redemption:

Except as provided in “Optional Redemption”, “Residual Call Option” and “Clean-Up Call Option” above, Notes will be redeemable at the option of the Issuer prior to their stated maturity only for tax reasons, as set out in Condition 6 - see “Terms and Conditions of the Notes – Redemption, Purchase and Options”.

Taxation:

All payments of principal, interest and other revenues by or on behalf of the Issuer in respect of the Notes, Receipts or Coupons shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

If French law should require that payments of principal, interest or other revenues in respect of any Note, Receipt or Coupon be subject to withholding or deduction in respect of any present or future taxes, duties, assessments or governmental charges of whatever nature, the Issuer will (subject to certain limited exceptions), to the fullest extent then permitted by law, pay such additional amounts as shall result in receipt by the Noteholders or, if applicable, the Receiptholders or the Couponholders, as the case may be, of such amounts as would have been received by them had no such withholding or deduction been required.

Interest Periods and Interest Rates: The length of the interest periods for the Notes and the applicable interest rate or its method of calculation may differ from time to time or be constant for any Series. Notes may have a maximum interest rate, a minimum interest rate, or both. The use of interest accrual periods permits the Notes to bear interest at different rates in the same interest period. All such information (except the method of calculation) will be set out in the relevant Final Terms.

Fixed Rate Notes: Fixed interest will be payable in arrear on the date or dates in each year specified in the relevant Final Terms.

Floating Rate Notes: Floating Rate Notes will be payable in arrear and will bear interest determined separately for each Series as follows:

- (i) on the same basis as the floating rate under a notional interest rate swap transaction in the relevant Specified Currency governed by the 2013 FBF Master Agreement relating to transactions on forward financial instruments as supplemented by the FBF Technical Schedules, each as published by the *Fédération Bancaire Française*; or
- (ii) on the same basis as the floating rate under a notional interest rate swap transaction in the relevant Specified Currency governed by an agreement incorporating the 2006 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc., and as amended and updated as at the Issue Date of the first Tranche of the Notes of the relevant Series; or
- (iii) by reference to EURIBOR, EONIA, LIBOR or CMS Rate (or such other benchmark as may be specified in the relevant Terms and Conditions), in each case as adjusted for any applicable margin.

Interest periods will be specified in the relevant Final Terms.

The margin (if any) relating to such floating rate will be agreed between the Issuer and the relevant Dealer for each Series of Floating Rate Notes.

Floating Rate Notes may also have a maximum interest rate, a minimum interest rate or both, provided that in no event will the relevant interest amount be less than zero.

Fixed to Floating Rate Notes: Fixed to Floating Rate Notes may bear interest at a rate (i) that the Issuer may elect to convert on the date set out in the Final Terms from a Fixed Rate to a Floating Rate, or from a Floating Rate to a Fixed Rate or (ii) that will automatically change from a Fixed Rate to a Floating Rate or from a Floating Rate to a Fixed Rate on the date set out in the Final Terms.

Zero Coupon Notes: Zero Coupon Notes may be issued at their nominal amount or at a discount to it and will not bear interest.

Redenomination: Notes issued in the currency of any Member State of the EU which will participate in the single currency of the EU may be redenominated into Euro, all as more fully provided in “Terms and Conditions of the Notes – Form, Denomination(s), Title and Redenomination” below.

Consolidation: Notes of one Series may be consolidated with Notes of another Series as more fully provided in Condition 13 - see “Terms and Conditions of the Notes – Further Issues and Consolidation“.

Form of Notes: Notes may be issued either in dematerialised form (“**Dematerialised Notes**”) or in materialised form (“**Materialised Notes**”).

Dematerialised Notes may, at the option of the Issuer, be issued in bearer dematerialised form (*au porteur*) or in registered dematerialised form (*au nominatif*) and, in such latter case, at the option of the relevant Noteholder, in either fully registered form (*au nominatif pur*) or administered registered form (*au nominatif administré*). No physical documents of title will be issued in respect of Dematerialised Notes. See Condition 1 “Terms and Conditions of the Notes – Form, Denomination(s), Title and Redenomination”.

Reg. §1.163-5(c)(2)(i)(C) or any successor regulation issued under Code section 4701(b) that contains rules identical to the rules that currently apply under Code section 163(f)(2)(B) (the “**C Rules**”) or (ii) such Materialised Notes are issued other than in compliance with the D Rules or the C Rules but in circumstances in which the Notes will not constitute “registration required obligations” under the United States Tax Equity and Fiscal Responsibility Act of 1982 (“**TEFRA**”), which circumstances will be referred to in the relevant Final Terms as a transaction to which TEFRA is not applicable.

At the date of this Base Prospectus, the Programme is rated BBB+ (senior unsecured debt) by Standard & Poor’s Credit Market Services France S.A.S (“**S&P**”) and A3 (senior unsecured debt) by Moody’s Investors Service Ltd (“**Moody’s**”). The long term debt of the Issuer is currently rated BBB+ (with positive outlook) by S&P and A3 (with negative outlook) by Moody’s. Notes issued under the Programme may, or may not, be rated. The rating of Notes, if any, will be specified in the relevant Final Terms. Each of S&P and Moody’s is established in the European Union, registered under Regulation (EC) No 1060/2009, as amended (the “**CRA Regulation**”) and included in the list of registered credit rating agencies published by the European Securities and Markets Authority on its website (www.esma.europa.eu/supervision/credit-rating-agencies/risk) in accordance with CRA Regulation. The relevant Final Terms will specify whether or not such credit ratings are issued by a credit rating agency established in the European Union and registered under the CRA Regulation. Credit ratings are subject to revision, suspension or withdrawal at any time by the relevant rating organisation. Where an issue of Notes is rated, its rating will not necessarily be the same as the rating assigned to the Issuer or the Programme. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change, or withdrawal at any time by the assigning rating agency.

TERMS AND CONDITIONS OF THE NOTES

The following is the text of the terms and conditions that, subject to completion by Part A of the relevant Final Terms, shall be applicable to the Notes. In the case of Dematerialised Notes, the text of the terms and conditions will not be endorsed on physical documents of title but will be constituted by the following text as completed by Part A of the relevant Final Terms. In the case of Materialised Notes, either (i) the full text of these terms and conditions together with the relevant provisions of Part A of the Final Terms or (ii) these terms and conditions as so completed, supplemented (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on Definitive Materialised Notes. All capitalised terms that are not defined in these terms and conditions will have the meanings given to them in Part A of the relevant Final Terms. References to “**Conditions**” are, unless the context requires otherwise, to the numbered paragraphs below. References in the Conditions to “Notes” are to the Notes of one Series only, not to all Notes that may be issued under the Programme.

The Notes are issued by Gecina (the “**Issuer**” or “**Gecina**”) in series (each a “**Series**”) having one or more issue dates and on terms otherwise identical (or identical save as to the issue date, issue price, first payment of interest and nominal amount of the Tranche), the Notes of each Series being intended to be interchangeable with all other Notes of that Series. Each Series may be issued in tranches (each a “**Tranche**”) on the same or different issue dates. The specific terms of each Tranche (including, without limitation, the aggregate nominal amount, issue price, redemption price thereof and interest, if any, payable thereunder) will be determined by the Issuer and the relevant Dealer(s) at the time of the issue and will be set out in the final terms of such Tranche (the “**Final Terms**”).

An amended and restated agency agreement dated 6 March 2018 has been entered into between the Issuer, Société Générale as, *inter alia*, fiscal agent and the other agents named in it (as amended or supplemented as at the Issue Date, the “**Agency Agreement**”). The fiscal agent, the paying agents, the redenomination agent, the consolidation agent, the calculation agent(s) and the put agent for the time being (if any) are referred to below respectively as the “**Fiscal Agent**”, the “**Paying Agents**” (which expression shall include the Fiscal Agent), the “**Redenomination Agent**”, the “**Consolidation Agent**”, the “**Calculation Agent(s)**” and the “**Put Agent**”.

Notes issued under the Programme shall constitute *obligations* within the meaning of Article L. 213-5 of the French *Code monétaire et financier*.

The provisions of Article 1195 of the French *Code civil* will not apply to these Terms and Conditions.

For the purpose of these Terms and Conditions, “**Regulated Market**” means any regulated market situated in a Member State of the European Economic Area (“**EEA**”) as defined in Directive 2014/65/EU on markets in financial instruments.

1 Form, Denomination(s), Title and Redenomination

(a) **Form:** Notes may be issued either in dematerialised form (“**Dematerialised Notes**”) or in materialised form (“**Materialised Notes**”), as specified in the relevant Final Terms.

- (i) Title to Dematerialised Notes will be evidenced in accordance with Articles L. 211-3 *et seq.* and R. 211-1 of the French *Code monétaire et financier* by book entries (*inscriptions en compte*). No physical document of title (including *certificats représentatifs* pursuant to Article R. 211-7 of the French *Code monétaire et financier*) will be issued in respect of the Dematerialised Notes.

Dematerialised Notes are issued, at the option of the Issuer, either in bearer dematerialised form (*au porteur*), which will be inscribed in the books of Euroclear France (“**Euroclear France**”, acting as central depository) which shall credit the accounts of the Account Holders (as defined below), or in registered dematerialised form (*au nominatif*) and, in such latter case, at the option of the relevant Noteholder in either administered registered form (*au nominatif administré*) inscribed in the books of an Account Holder designated by the relevant noteholder or in fully registered form (*au nominatif pur*) inscribed in an account maintained by the Issuer or the registration agent (designated in the relevant Final Terms) acting on behalf of the Issuer (the “**Registration Agent**”).

Unless this option is expressly excluded in the relevant Final Terms in accordance with the provisions of Article L.228-2 of the French *Code de commerce*, the Issuer may at any time request from the central depository the following identification information of the holders of Dematerialised Notes in bearer form (*au porteur*): the name or the company name, nationality, date of birth or year of

incorporation and mail address or, as the case may be, e-mail address as well as the quantity of Notes held by each of them and any restrictions applicable to the Notes.

For the purpose of these Conditions, “**Account Holder**” means any intermediary institution entitled to hold accounts, directly or indirectly, on behalf of its customers with Euroclear France, and includes Euroclear Bank SA/NV (“**Euroclear**”), and the depositary bank for Clearstream Banking S.A. (“**Clearstream**”).

- (ii) Materialised Notes are issued in bearer form only. Materialised Notes in definitive form (“**Definitive Materialised Notes**”) are serially numbered and are issued with interest coupons (the “**Coupons**”) (and, where appropriate, a talon (the “**Talon**”) for further Coupons) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. Instalment Notes are issued with one or more receipts for the payment of instalments of principal (the “**Receipts**”) attached. The holders of Coupons and Talons and the holders of Receipts are respectively referred to below as the “**Couponholders**” and the “**Receiptholders**”.

In accordance with Articles L. 211-3 et seq. and R. 211-1 of the French Code monétaire et financier, securities (such as Notes constituting obligations under French law) which are governed by French law and are in materialised form must be issued outside the French territory.

The Notes may be “**Fixed Rate Notes**”, “**Floating Rate Notes**”, “**Zero Coupon Notes**” or a combination of any of the foregoing.

- (b) **Denomination(s)**: Notes shall be issued in the specified denomination(s) as set out in the relevant Final Terms (the “**Specified Denomination(s)**”), save that the minimum denomination of each Note admitted to trading on a Regulated Market in circumstances which require the publication of a prospectus under the Prospectus Directive will be €100,000 (or, if the Notes are denominated in a currency other than euro, the equivalent amount in such currency at the issue date) or such other higher amount as may be allowed or required from time to time by the relevant monetary or financial authority or any laws or regulations applicable to the relevant Specified Currency).

Unless permitted by the then current laws and regulations, Notes (including Notes denominated in Sterling) which have a maturity of less than one (1) year and in respect of which the issue proceeds are to be accepted by the Issuer in the United Kingdom or whose issue otherwise constitutes a contravention of section 19 of the Financial Services and Markets Act 2000 must have a minimum redemption amount of £100,000 (or its equivalent in other currencies).

Dematerialised Notes shall be issued in one Specified Denomination only.

- (c) **Title:**

- (i) Title to Dematerialised Notes in bearer dematerialised form (*au porteur*) and in administered registered form (*au nominatif administré*) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts of the Account Holders. Title to Dematerialised Notes in fully registered form (*au nominatif pur*) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts held by the Issuer or the Registration Agent.
- (ii) Title to Definitive Materialised Notes in definitive form including, where appropriate, Coupons, Receipt(s) and/or a Talon attached thereto on issue shall pass by delivery.
- (iii) Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not such Note, Receipt, Coupon or Talon is overdue and regardless of any notice of ownership, or an interest in it, any writing on it or its theft or loss and no person shall be liable for so treating the holder.
- (iv) In these Conditions, “**Noteholder**”, “**holder of Notes**” or, as the case may be, “**holder of any Note**” means (i) in the case of Dematerialised Notes, the individual or entity whose name appears in the account held by the relevant Account Holder or the Issuer or the Registration Agent (as the case may be) as being entitled to such Notes and (ii) in the case of Materialised Notes, the bearer of any

Definitive Materialised Note and the Receipts, Coupons, or Talon relating to it, and capitalised terms have the meanings given to them in the relevant Final Terms, the absence of any such meaning indicating that such term is not applicable to the Notes.

(d) **Redenomination:**

- (i) The Issuer may (if so specified in the relevant Final Terms), on any Interest Payment Date, without the consent of the holder of any Note, Receipt, Coupon or Talon, by giving at least thirty (30) calendar days' notice in accordance with Condition 14 and on or after the date on which the European Member State in whose national currency the Notes are denominated has become a participating Member State in the single currency of the European Economic and Monetary Union (as provided in the Treaty establishing the European Community (the "EC"), as amended from time to time (the "**Treaty**"), or events have occurred which have substantially the same effect (in either case, "**EMU**"), redenominate all, but not some only, of the Notes of any Series into Euro and adjust the aggregate principal amount and the Specified Denomination(s) set out in the relevant Final Terms accordingly, as described below. The date on which such redenomination becomes effective shall be referred to in these Conditions as the "**Redenomination Date**".
- (ii) The redenomination of the Notes pursuant to Condition 1(d)(i) shall be made by converting the principal amount of each Note from the relevant national currency into Euro using the fixed relevant national currency Euro conversion rate established by the Council of the European Union pursuant to applicable regulations of the Treaty and rounding the resultant figure to the nearest Euro 0.01 (with Euro 0.005 being rounded upwards). If the Issuer so elects, the figure resulting from conversion of the principal amount of each Note using the fixed relevant national currency Euro conversion rate shall be rounded down to the nearest Euro. The Euro denominations of the Notes so determined shall be notified to Noteholders in accordance with Condition 14. Any balance remaining from the redenomination with a denomination higher than Euro 0.01 shall be paid by way of cash adjustment rounded to the nearest Euro 0.01 (with Euro 0.005 being rounded upwards). Such cash adjustment will be payable in Euro on the Redenomination Date in the manner notified to Noteholders by the Issuer.
- (iii) Upon redenomination of the Notes, any reference in the relevant Final Terms to the relevant national currency shall be construed as a reference to Euro.
- (iv) The Issuer may, in connection with any redenomination pursuant to this Condition or any consolidation pursuant to Condition 13, without the consent of the holder of any Note, Receipt, Coupon or Talon, make any changes or additions to this Condition or Condition 13 (including, without limitation, any change to any applicable business day definition, business day convention, principal financial centre of the country of the Specified Currency, interest accrual basis or benchmark), taking into account market practice in respect of redenominated euromarket debt obligations and which it believes are not prejudicial to the interests of such holders. Any such changes or additions shall, in the absence of manifest error, be binding on the holders of Notes, Receipts, Coupons and Talons and shall be notified to Noteholders in accordance with Condition 14 as soon as practicable thereafter.
- (v) Neither the Issuer nor any Paying Agent shall be liable to the holder of any Note, Receipt, Coupon or Talon or other person for any commissions, costs, losses or expenses in relation to or resulting from the credit or transfer of Euro or any currency conversion or rounding effected in connection therewith.

2 Conversion and Exchanges of Notes

(a) **Dematerialised Notes**

- (i) Dematerialised Notes issued in bearer dematerialised form (*au porteur*) may not be converted into Dematerialised Notes in registered dematerialised form, whether in fully registered form (*au nominatif pur*) or in administered registered form (*au nominatif administré*).
- (ii) Dematerialised Notes issued in registered dematerialised form (*au nominatif*) may not be converted into Dematerialised Notes in bearer dematerialised form (*au porteur*).

(iii) Dematerialised Notes issued in fully registered form (*au nominatif pur*) may, at the option of the holder of such Notes, be converted into Notes in administered registered form (*au nominatif administré*), and *vice versa*. The exercise of any such option by such Noteholder shall be made in accordance with Article R. 211-4 of the French *Code monétaire et financier*. Any such conversion shall be effected at the cost of such Noteholder.

(b) **Materialised Notes**

Materialised Notes of one Specified Denomination may not be exchanged for Materialised Notes of another Specified Denomination.

3 Status

The obligations of the Issuer under the Notes may be either unsubordinated (“**Unsubordinated Notes**”) or subordinated (“**Subordinated Notes**”).

(a) **Status of Unsubordinated Notes**

The Unsubordinated Notes and, where applicable, any Receipts and Coupons relating to them, constitute direct, unconditional, unsecured (subject to the provisions of Condition 4 below) and unsubordinated obligations of the Issuer and rank and will rank at all times *pari passu* without any preference or priority among themselves and (subject to such exceptions as are from time to time mandatory under French law) equally and rateably with all other present or future unsecured and unsubordinated obligations of the Issuer.

(b) **Status of Subordinated Notes**

(i) Subordination

Subordinated Notes (which term shall include both Subordinated Notes with a specified maturity date (“**Dated Subordinated Notes**”) and Subordinated Notes without a specified maturity date (“**Undated Subordinated Notes**”), and, where applicable, any Receipts and Coupons relating to them constitute direct, unsecured subordinated obligations of the Issuer in accordance with the provisions of Article L. 228-97 of the French *Code de commerce*. If any judgment is rendered by any competent court declaring (a) the judicial liquidation (*liquidation judiciaire*) of the Issuer, or the transfer of the whole of its business (*cession totale de l'entreprise*) or (b) if the Issuer is liquidated for any other reason, the rights of payment of the holders of Subordinated Notes shall be subordinated to the payment in full of unsubordinated creditors and, subject to such payment in full, the holders of Subordinated Notes shall be paid in accordance with their respective rankings specified in the terms of the Subordinated Notes. In the event of incomplete payment of unsubordinated creditors, the obligations of the Issuer in connection with the Subordinated Notes will be terminated.

(ii) Dated Subordinated Notes

Payments of interest relating to Dated Subordinated Notes constitute obligations which rank equally with the obligations of the Issuer in respect of Unsubordinated Notes issued by the Issuer in accordance with Condition 3(a).

(iii) Undated Subordinated Notes

Payments of interest relating to Undated Subordinated Notes constitute obligations which rank equally with the obligations of the Issuer in respect of Unsubordinated Notes issued by the Issuer in accordance with Condition 3(a).

4 Negative Pledge

The Issuer agrees that so long as any of the Unsubordinated Notes or, if applicable, any Receipts or Coupons relating to them, remains outstanding (as defined below), the Issuer will not create or permit to subsist any mortgage, charge, pledge, lien or other form of encumbrance or security interest which would constitute a *sûreté réelle* or its equivalent under any applicable legislation upon all or part of its business (*fonds de commerce*), assets or revenues, present or future, to secure (i) any Bond Indebtedness (as defined below) other than Securitised Bond Indebtedness (as defined below) or (ii) any guarantee of or indemnity in respect of any Bond Indebtedness (other than Securitised Bond Indebtedness) (whether before or after the issue of the

Unsubordinated Notes) unless the obligations of the Issuer under the Unsubordinated Notes, Receipts and Coupons are equally and rateably secured therewith so as to rank *pari passu* with such Bond Indebtedness or the guarantee or indemnity thereof. This undertaking by the Issuer relates exclusively to the issuance of Bond Indebtedness and in no way affects the Issuer's ability to dispose of its Assets (as defined in Condition 9 below) or to otherwise grant any Security Interest over or in respect of such Assets under any other circumstances.

For the purposes of these Conditions:

“**Bond Indebtedness**” means the Unsubordinated Notes, all other outstanding Series of Unsubordinated Notes, and any other present or future indebtedness for borrowed money in the form of, or represented by, bonds (*obligations*) or other securities (including *titres de créances négociables*) which are, or are capable of being, quoted, admitted to trading or ordinarily dealt in any stock exchange, over-the-counter or other securities market;

“**outstanding**” means, in relation to the Notes of any Series, all the Notes issued other than (a) those that have been redeemed in accordance with the Conditions, (b) those in respect of which the date for redemption in accordance with the Conditions has occurred and the redemption moneys (including all interest accrued on such Notes to the date for such redemption and any interest payable after such date) have been duly paid as provided in Condition 7 and remain available for payment against presentation and surrender of Notes, Receipts and/or Coupons, as the case may be, (c) those which have become void or in respect of which claims have become prescribed under Condition 10, (d) those which have been purchased and cancelled as provided in the Conditions, (e) those mutilated or defaced Definitive Materialised Notes that have been surrendered in exchange for replacement Notes, (f) (for the purpose only of determining how many Notes are outstanding and without prejudice to their status for any other purpose) those Definitive Materialised Notes alleged to have been lost, stolen or destroyed and in respect of which replacement Notes have been issued and (g) any Temporary Global Certificate to the extent that it shall have been exchanged for one or more Definitive Materialised Notes, pursuant to its provisions;

“**Securitised Bond Indebtedness**” means any Bond Indebtedness of the Issuer incurred in respect of or in connection with any securitisation or similar financing arrangement relating to Assets owned by the Issuer and where the recourse of the holders of such Bond Indebtedness against the Issuer is limited solely to such Assets or any income generated therefrom;

“**Security Interest**” means any mortgage, charge, pledge, lien or other form of encumbrance or security interest which would constitute a *sûreté réelle* or any other agreement or arrangement having substantially the same economic effect (including, but not limited to, any retention of title, lease or hire-purchase arrangement).

This Condition 4 shall not apply to Subordinated Notes.

“**Business Day**” means:

- (i) in the case of Euro, a day, other than a Saturday or a Sunday, on which the TARGET System is operating (a “**TARGET Business Day**”) and/or
- (ii) in the case of a Specified Currency other than Euro, a day (other than a Saturday or Sunday) on which commercial banks and foreign exchange markets settle payments in the principal financial centre for that currency and/or
- (iii) in the case of a Specified Currency and/or one or more business centre(s) specified in the relevant Final Terms (the “**Business Centre(s)**”), a day (other than a Saturday or a Sunday) on which commercial banks and foreign exchange markets settle payments in such currency in the Business Centre(s) or, if no currency is indicated, generally in each of the Business Centres so specified.

“**Day Count Fraction**” means, in respect of the calculation of an amount of interest on any Note for any period of time (from and including the first day of such period to but excluding the last) (whether or not constituting an Interest Period or an Interest Accrual Period, the “**Calculation Period**”):

- (i) if “**Actual/365**”, “**Actual/365 – FBF**” or “**Actual/Actual – ISDA**” is specified in the relevant Final Terms, the actual number of days in the Calculation Period divided by three hundred and sixty-five (365) (or, if any portion of that Calculation Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Calculation Period falling in a leap year divided by three hundred and sixty-six (366) and (B) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by three hundred and sixty-five (365));
- (ii) if “**Actual/Actual-ICMA**” is specified in the relevant Final Terms:
 - (A) if the Calculation Period is equal to or shorter than the Determination Period during which it falls, the number of days in the Calculation Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Periods normally ending in any year; and
 - (B) if the Calculation Period is longer than one (1) Determination Period, the sum of:
 - the number of days in such Calculation Period falling in the Determination Period in which it begins divided by the product of (i) the number of days in such Determination Period and (ii) the number of Determination Periods normally ending in any year; and
 - the number of days in such Calculation Period falling in the next Determination Period divided by the product of (i) the number of days in such Determination Period and (ii) the number of Determination Periods normally ending in any year

in each case where:

“**Determination Period**” means the period from and including a Determination Date in any year to but excluding the next Determination Date and

“**Determination Date**” means the date specified in the relevant Final Terms or, if none is so specified, the Interest Payment Date

If the Calculation Period is of a term of more than one (1) year, the basis shall be calculated as follows:
 - (x) the number of complete years shall be counted back from the last day of the Calculation Period; and
 - (y) this number shall be increased by the fraction for the relevant period calculated as shown above;
- (iv) if “**Actual/365 (Fixed)**” is specified in the relevant Final Terms, the actual number of days in the Calculation Period divided by three hundred and sixty-five (365)
- (v) if “**Actual/360**” is specified in the relevant Final Terms, the actual number of days in the Calculation Period divided by three hundred and sixty (360)
- (vi) if “**30/360**”, “**360/360**” or “**Bond Basis**” is specified in the relevant Final Terms, the number of days in the Calculation Period divided by three hundred and sixty (360), calculated on a formula basis as follows:

$$\text{DayCountFraction} = \frac{[360 \times (Y2 - Y1)] + [30 \times (M2 - M1)] + (D2 - D1)}{360}$$

where:

“Y1” is the year, expressed as a number, in which the first (1st) day of the Calculation Period falls;

“M1” is the calendar month, expressed as a number, in which the first (1st) day of the Calculation Period falls;

“M2” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“D1” is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be thirty-one (31), in which case D1 will be thirty (30); and

“D2” is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be thirty-one (31) and D1 is greater than twenty-nine (29), in which case D2 will be thirty (30);

if the last day of the Calculation Period is the last day of the month of February, the number of days elapsed during such month shall be taken as the actual number of days,

where:

D1 (dd1, mm1, yy1) is the date of the beginning of the period

D2 (dd2, mm2, yy2) is the date of the end of the period

the fraction is:

$$\frac{1}{360} \times [(yy2 - yy1) \times 360 + (mm2 - mm1) \times 30 + \text{Min}(dd2, 30) - \text{Min}(dd1, 30)]$$

- (x) if “**30E/360 (ISDA)**” is specified in the relevant Final Terms, the number of days in the Calculation Period divided by three hundred and sixty (360), calculated on a formula basis as follows:

where:

“**Y1**” is the year, expressed as a number, in which the first (1st) day of the Calculation Period falls;

Notwithstanding the foregoing, where the relevant Final Terms specify that the relevant Business Day Convention is to be applied on an “unadjusted” basis, the Interest Amount payable on any date shall not be affected by the application of that Business Day Convention.
- (iii) **Rate of Interest for Floating Rate Notes:** The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified in the provisions below relating to either FBF Determination, ISDA Determination or Screen Rate Determination, depending upon which is specified in the relevant Final Terms.

(A) FBF Determination for Floating Rate Notes

Where FBF Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant FBF Rate plus or minus (as indicated in the relevant Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), “**FBF Rate**” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a notional interest rate swap transaction (*échange*) in the relevant Specified Currency incorporating the FBF Definitions and under which:

- (a) the Floating Rate is as specified in the relevant Final Terms and
- (b) the Floating Rate Determination Date (*Date de Détermination du Taux Variable*) is as specified in the relevant Final Terms.

For the purposes of this sub-paragraph (A), “**Floating Rate**”, “**Calculation Agent**” and “**Floating Rate Determination Date**” are translations of the French terms “*Taux Variable*”, “*Agent de Calcul*” and “*Date de Détermination du Taux Variable*”, respectively, which have the meanings given to those terms in the FBF Definitions.

If the paragraph “Floating Rate” in the relevant Final Terms provides that the rate of interest will be determined by linear interpolation in respect of an Interest Period, the Rate of Interest applicable to such Interest Period will be calculated by the Calculation Agent by linear interpolation between two (2) rates of interest based on the relevant Floating Rate, provided that the first rate of interest corresponds to a maturity immediately inferior to the duration of the relevant Interest Period and the second rate corresponds to a maturity immediately superior to the same relevant Interest Period.

(B) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate plus or minus (as indicated in the relevant Final Terms) the Margin (if any). For the purposes of this sub-paragraph (B), “**ISDA Rate**” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (a) the Floating Rate Option is as specified in the relevant Final Terms
- (b) the Designated Maturity is a period specified in the relevant Final Terms and
- (c) the relevant Reset Date is the first day of that Interest Accrual Period or such other date as specified in the relevant Final Terms.

For the purposes of this sub-paragraph (B), “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Designated Maturity**”, “**Reset Date**” and “**Swap Transaction**” have the meanings given to those terms in the ISDA Definitions.

If the paragraph “Floating Rate Option” in the relevant Final Terms provides that the rate of interest will be determined by linear interpolation in respect of an Interest Period, the Rate of Interest applicable to such Interest Period will be calculated by the Calculation Agent by linear interpolation between two (2) rates of interest based on the relevant Floating Rate, provided that the first rate of interest corresponds to a maturity immediately inferior to the duration of the relevant Interest Period and the second rate corresponds to a maturity immediately superior to the same relevant Interest Period.

(C) Screen Rate Determination for Floating Rate Notes

- (a) Where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be either:

- (i) the offered quotation; or
- (ii) the arithmetic mean of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at either 11.00 a.m. (London time in the case of LIBOR or Brussels time in the case of EURIBOR) on the relevant Interest Determination Date as determined by the Calculation Agent, plus or minus (as indicated in the relevant Final Terms) the Margin (if any). If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the relevant Final Terms as being other than LIBOR or EURIBOR, the

Rate of Interest in respect of such Notes will be determined as provided hereon plus or minus (as indicated in the relevant Final Terms) the Margin (if any).

- (b) if the Relevant Screen Page is not available or if sub-paragraph (a)(i) applies and no such offered quotation appears on the Relevant Screen Page or if sub-paragraph (a)(ii) applies and fewer than three such quotations appear on the Relevant Screen Page, in each case at the time specified above, subject as provided below, the Calculation Agent shall request, if the Reference Rate is LIBOR, the principal London office of each of the Reference Banks or, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time), or if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Accrual Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent, plus or minus (as indicated in the relevant Final Terms) the Margin (if any), and
- (c) if paragraph (b) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, as the case may be, the Euro-zone inter-bank market, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

If the paragraph “Reference Rate” in the relevant Final Terms provides that the rate of interest will be determined by linear interpolation in respect of an Interest Period, the Rate of Interest applicable to this Interest Period will be calculated by the Calculation Agent by linear interpolation between two (2) rates of interest based on the applicable Reference Rate, provided that the first rate corresponds to a maturity immediately inferior to the duration of the relevant Interest Period and the second rate corresponds to a maturity immediately superior to the same Interest Period.

- (d) Where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined and the Reference Rate in

respect of the Floating Rate Notes is specified as being EONIA, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be the rate of return of a daily compound interest investment (with the arithmetic mean of the daily rates of the day-to-day Euro-zone interbank euro money market as reference rate for the calculation of interest) plus or minus (as indicated in the relevant Final Terms) the Margin (if any) and will be calculated by the Calculation Agent on the Interest Determination Date specified in the relevant Final Terms, if any, as follows, and the resulting will be rounded, if necessary, to the nearest one ten-thousandth of a percentage point, with 0.00005 being rounded upwards:

$$\left[\prod_{i=1}^{d_0} \left(1 + \frac{EONIA_i \times n_i}{360} \right) - 1 \right] \times \frac{360}{d}$$

where

“**d**₀” for any Interest Accrual Period, is the number of TARGET Business Days in the relevant Interest Period;

“**i**” is a series of whole numbers from one to do, each representing the relevant TARGET Business Day in chronological order from, and including, the first TARGET Business Day in the relevant Interest Accrual Period;

“**EONIA_i**”, for any day “**i**” in the relevant Interest Accrual Period, is a reference rate equal to the overnight rate as calculated by the European Central Bank and appearing on the Reuters Screen EONIA Page or such other page or service as may replace such page for the purposes of displaying Euro overnight index average rate of leading reference banks for deposits in Euro (the “**EONIA Page**”) in respect of that day provided that, if, for any reason, on any such day “**i**”, no rate is published on the EONIA Page, the Calculation Agent will request any four major banks selected by it (but which shall not include the Calculation Agent) in the Euro-zone inter-bank market to provide it with their respective quotations of the rates offered by such banks at approximately 11.00 am (Brussels time) on such day “**i**”, to prime banks in the Euro-zone inter-bank market for Euro overnight index average rate for deposits in Euro in an amount that is, in the reasonable opinion of the Calculation Agent, representative for a single transaction in the relevant market at the relevant time. The applicable reference rate for such day “**i**” shall be the arithmetic mean (rounded if necessary, to the nearest hundredth of a percentage point, with 0.005 being rounded upwards) of at least two of the rates so quoted, it being provided that if less than two rates are provided to the Calculation Agent, the applicable reference rate shall be determined by the Calculation Agent after consultation of an independent expert;

“**n_i**” is the number of calendar days in the relevant Interest Accrual Period on which the rate is EONIA_i; and

“**d**” is the number of calendar days in the relevant Interest Accrual Period.

- (e) Where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, and the Reference Rate in respect of the Floating Rate Notes is specified as being CMS Rate, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be determined by the Calculation Agent on the Interest Determination Date specified in the relevant Final Terms by reference to the following formula:

CMS Rate plus or minus (as indicated in the relevant Final Terms) the Margin (if any)

If the Relevant Screen Page is not available, the Calculation Agent shall request each of the CMS Reference Banks to provide the Calculation Agent with its quotation for the Relevant Swap Rate at approximately the Specified Time on the Interest Determination Date in question. If at least three of the CMS Reference

Banks provide the Calculation Agent with such quotations, the CMS Rate for such Interest Accrual Period shall be the arithmetic mean of such quotations (rounded if necessary, to the nearest hundredth of a percentage point, with 0.005 being rounded upwards), eliminating the highest quotation (or, in the event of equality, one of the highest) and the lowest quotation (or, in the event of equality, one of the lowest).

If on any Interest Determination Date less than three or none of the CMS Reference Banks provides the Calculation Agent with such quotations as provided in the preceding paragraph, the CMS Rate shall be determined by the Calculation Agent on such commercial basis as considered appropriate by the Calculation Agent in its absolute discretion, in accordance with standard market practice.

For the purposes of this sub-paragraph (e):

“**CMS Rate**” shall mean the applicable swap rate for swap transactions in the Relevant Currency with a maturity of the Designated Maturity, expressed as a percentage, which appears on the Relevant Screen Page as at the Specified Time on the Interest Determination Date in question, all as determined by the Calculation Agent.

“**CMS Reference Banks**” means (i) where the Relevant Currency is Euro, the principal office of five leading swap dealers in the Euro-zone inter-bank market, (ii) where the Relevant Currency is Sterling, the principal London office of five leading swap dealers in the London inter-bank market, (iii) where the Relevant Currency is United States dollars, the principal New York City office of five leading swap dealers in the New York City inter-bank market, or (iv) in the case of any other Relevant Currency, the principal relevant financial centre office of five leading swap dealers in the relevant financial centre inter-bank market, in each case selected by the Calculation Agent.

“**Designated Maturity**” and “**Specified Time**” shall have the meaning given to those terms in the relevant Final Terms.

“**Relevant Swap Rate**” means:

- (i) where the Relevant Currency is Euro, the mid-market annual swap rate determined on the basis of the arithmetic mean of the bid and offered rates for the annual fixed leg, calculated on a 30/360 day count basis, of a fixed-for-floating euro interest rate swap transaction with a term equal to the Designated Maturity commencing on the first day of the relevant Interest Accrual Period and in a Representative Amount with an acknowledged dealer of good credit in the swap market, where the floating leg, in each case calculated on an Actual/360 day count basis, is equivalent to EUR-EURIBOR-Reuters (as defined in the 2006 ISDA Definitions) with a designated maturity determined by the Calculation Agent by reference to standard market practice and/or the ISDA Definitions;
- (ii) where the Relevant Currency is Sterling, the mid-market semi-annual swap rate determined on the basis of the arithmetic mean of the bid and offered rates for the semi-annual fixed leg, calculated on an Actual/365 (Fixed) day count basis, of a fixed-for-floating Sterling interest rate swap transaction with a term equal to the Designated Maturity commencing on the first day of the relevant Interest Accrual Period and in a Representative Amount with an acknowledged dealer of good credit in the swap market, where the floating leg, in each case calculated on an Actual/365 (Fixed) day count basis, is equivalent (A) if the Designated Maturity is greater than one year, to GBP-LIBOR-BBA (as defined in the ISDA Definitions) with a designated maturity of six months or (B) if the Designated Maturity is one year or less, to GBP-LIBOR-BBA with a designated maturity of three months;

- (iii) where the Relevant Currency is United States dollars, the mid-market semi-annual swap rate determined on the basis of the mean of the bid and offered rates for the semi-annual fixed leg, calculated on a 30/360 day count basis, of a fixed-for-floating United States dollar interest rate swap transaction with a term equal to the Designated Maturity commencing on the first day of the relevant Interest Accrual Period and in a Representative Amount with an acknowledged dealer of good credit in the swap market, where the floating leg, calculated on an Actual/360 day count basis, is equivalent to USD-LIBOR-BBA (as defined in the ISDA Definitions) with a designated maturity of three months; and
- (iv) where the Relevant Currency is any other currency or if the Final Terms specify otherwise, the mid-market swap rate as determined in accordance with the relevant Final Terms.

“**Representative Amount**” means an amount that is representative for a single transaction in the relevant market at the relevant time.

- (d) **Fixed to Floating Rate Notes:** Fixed to Floating Rate Notes may bear interest at a rate (i) that the Issuer may elect to convert on the date set out in the Final Terms from a Fixed Rate to a Floating Rate, or from a Floating Rate to a Fixed Rate or (ii) that will automatically change from a Fixed Rate to a Floating Rate or from a Floating Rate to a Fixed Rate on the date set out in the Final Terms.
- (e) **Zero Coupon Notes:** Where a Note the Interest Basis of which is specified to be Zero Coupon, is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 6(h)(i)).
- (f) **Accrual of Interest:** Interest shall cease to accrue on each Note on the due date for redemption unless (i) in the case of Dematerialised Notes, on such due date or (ii) in the case of Materialised Notes, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (both before and after judgment) at the Rate of Interest in the manner provided in this Condition 5 to the Relevant Date (as defined in Condition 8).
- (g) **Deferral of Interest:** In the case of Undated Subordinated Notes, interest shall be payable on each Compulsory Interest Payment Date (as defined below) in respect of the interest accrued in the Interest Period ending on the day immediately preceding such date. On any Optional Interest Payment Date (as defined below) there may be paid (if the Issuer so elects) the interest accrued in the Interest Period ending on the day immediately preceding such date but the Issuer shall not have any obligation to make such payment. Notice of any Optional Interest Payment Date shall (for so long as the rules of any Stock Exchange so require) be given to the Noteholders in accordance with Condition 14 and to the relevant Stock Exchange. Such notice shall be given at least seven days prior to the relevant Optional Interest Payment Date(s). Any interest not paid on an Optional Interest Payment Date shall, so long as the same remains unpaid, constitute “**Arrears of Interest**” which term shall include interest on such unpaid interest as referred to below. Arrears of Interest may, at the option of the Issuer, be paid in whole or in part at any time upon the expiration of not less than seven days’ notice to such effect given to the Noteholders in accordance with Condition 14 but all Arrears of Interest on all Undated Subordinated Notes outstanding shall become due in full on whichever is the earliest of:
 - (i) the Interest Payment Date immediately following the date upon which the *Assemblée Générale* of the shareholders of the Issuer passed a resolution to pay a dividend on the ordinary share capital of the Issuer, and
 - (ii) a judgement rendered by any competent court declaring (a) the transfer of the whole of the business (*cession totale de l’entreprise*) or the judicial liquidation (*liquidation judiciaire*) of the Issuer or (b) the liquidation of the Issuer for any other reason.

If notice is given by the Issuer of its intention to pay the whole or part of Arrears of Interest, the Issuer shall be obliged to do so upon the expiration of such notice. When Arrears of Interest are paid in part, each such payment shall be applied in or towards satisfaction of the full amount of the Arrears of Interest accrued in respect of the earliest Interest Period in respect of which Arrears of Interest have accrued and have not been paid in full. Arrears of Interest shall (to the extent permitted by law) bear interest accruing (but only, in

accordance with Article 1343-2 of the French *Code civil*, after such interest has accrued for a period of one year) and compounding on the basis of the exact number of days which have elapsed at the prevailing rate of interest on the Undated Subordinated Notes in respect of each relevant Interest Period. For these purposes the following expressions have the following meanings:

“**Compulsory Interest Payment Date**” means any Interest Payment Date unless at the *Assemblée Générale* of the shareholders of the Issuer immediately preceding such date which was required to approve the annual accounts of the Issuer for the fiscal year ended prior to such *Assemblée Générale*, no resolution was passed to pay a dividend on the ordinary share capital of the Issuer in respect of such previous fiscal year.

“**Optional Interest Payment Date**” means any Interest Payment Date, as the case may be, other than a Compulsory Interest Payment Date.

(ii) If any Maximum or Minimum Rate of Interest or Redemption Amount is specified in the relevant Final Terms, then any Rate of Interest or Redemption Amount shall be subject to such maximum or minimum, as the case may be, provided that in no event, will the relevant Interest Amount be less than zero; and

(iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth (1/100,000) of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven (7) figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes “unit” means the lowest amount of such currency that is available as legal tender in the country(ies) of such currency.

(i) ***Calculations:*** The amount of interest payable in respect of any Note for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such Note by the Day Count Fraction, unless an Interest Amount (or a formula for its calculation) is specified in respect of such period, in which case the amount of interest payable in respect of such Note for such period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two (2) or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be for the period for which interest is required to be calculated.

(j) ***Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Make-Whole Redemption Amounts, Optional Redemption Amounts, Restructuring Optional Redemption Amounts, Early Redemption Amounts and Instalment Amounts:*** The Calculation Agent shall as soon as practicable after the relevant time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the Notes for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Make-Whole Redemption Amount, Optional Redemption Amount, Restructuring Optional Redemption Amount, Early Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Make-Whole Redemption Amount, Optional Redemption Amount, Restructuring Optional Redemption Amount, Early Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are admitted to trading on a Regulated Market and the rules of such Regulated Market so require, such Regulated Market as soon as possible after their determination but in no

event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such Regulated Market of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth (4th) Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 5(c)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

- (k) **Calculation Agent:** The Issuer shall use its best efforts to procure that there shall at all times be one or more Calculation Agents if provision is made for them in the relevant Final Terms and for so long as any Note is outstanding (as defined in Condition 4). Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount, Make-Whole Redemption Amount, Early Redemption Amount or Optional Redemption Amount or Restructuring Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall appoint a leading bank or financial institution engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal Paris office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid. So long as the Notes are admitted to trading on a Regulated Market and the rules of, or applicable to, that Regulated Market so require, notice of any change of Calculation Agent shall be given in accordance with Condition 14.

In the case of Materialised Notes, the Restructuring Put Notice shall have attached to it the relevant Notes (together with all unexpired Receipts and Coupons and unexchanged Talons).

The form of the Restructuring Put Notice shall be available from the Put Agent.

Payment in respect of such Note(s) will be made on the Restructuring Optional Redemption Date by transfer to the bank account specified in the Restructuring Put Notice. If the Notes or the Issuer are rated by more than one Rating Agency, a Rating Downgrade shall be deemed not to have occurred in respect of a particular Restructuring Event if only one Rating Agency has withdrawn or lowered its rating.

"Restructuring Event" shall be deemed to have occurred at each time (whether or not approved by the Board of Directors of the Issuer) that any Person or Persons acting in concert (within the meaning of Article L. 233-10 of the French *Code de commerce*) shall acquire, or own, directly or indirectly, beneficially and/or of record, more than fifty per cent. - (C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 6(i) or Condition 6(m) or upon it becoming due and payable as provided in Condition 9 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Nominal Amount of such Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Amortised Nominal Amount becomes due and payable was the Relevant Date. The calculation of the Amortised Nominal Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 5(f).

Where such calculation is to be made for a period of less than one (1) year, it shall be made on the basis of the Day Count Fraction as provided in the relevant Final Terms.

having to pay additional amounts as specified under Condition 8(b) below, the Issuer may, at its option, on any Interest Payment Date or, if so specified in the relevant Final Terms, at any time, subject to having given not more than sixty (60) nor less than thirty (30) calendar days' notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 14, redeem all, but not some only, of the Notes at their Early Redemption Amount together with any interest accrued to the date set for redemption (including, where applicable, any Arrears of Interest) provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make payment of principal and interest without withholding or deduction for French taxes or, if such date is past, as soon as practicable thereafter.

- (ii) If the Issuer would on the next payment of principal or interest in respect of the Notes, Receipts or Coupons be prevented by French law from making payment to the Noteholders or, if applicable, the Receiptholders or Couponholders of the full amounts then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 8(b) below, then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and the Issuer shall upon giving not less than seven (7) calendar days' prior notice to the Noteholders in accordance with Condition 14, redeem all, but not some only, of the Notes then outstanding (as defined above) at their Early Redemption Amount together with any interest accrued to the date set for redemption (including, where applicable, any Arrears of Interest) on (A) the latest practicable Interest Payment Date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes, Receipts or Coupons provided that if such notice would expire after such Interest Payment Date the date for redemption pursuant to such notice of Noteholders shall be the later of (i) the latest practicable date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes, Receipts or Coupons and (ii) fourteen (14) calendar days after giving notice to the Fiscal Agent as aforesaid or (B) if so specified in the relevant Final Terms, at any time, provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date at which the Issuer could make payment of the full amount payable in respect of the Notes, or, if applicable, Receipts or Coupons or, if that date is passed, as soon as practicable thereafter.

(j) ***Clean-up Call Option by the Issuer:***

If a Clean-up Call Option by the Issuer is specified in the relevant Final Terms, in the event that at least 80% of the initial aggregate principal amount of a particular Series of Notes (which for the avoidance of doubt include any additional Notes issued subsequently and forming a single series with the first Tranche of a particular Series of Notes) has been purchased or redeemed by the Issuer, the Issuer may, at its option but subject to having given not more than sixty (60) nor less than thirty (30) calendar days' notice to the Noteholders (which notice shall be irrevocable) in accordance with Condition 14, redeem all, but not some only, of the remaining Notes in that Series at their Final Redemption Amount together with any interest accrued to the date set for redemption (including, where applicable, any Arrears of Interest).

- (k) ***Purchases:*** The Issuer shall have the right at all times to purchase Notes (provided that, in the case of Materialised Notes, all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise (including by tender offer) at any price, subject to the applicable laws and/or regulations. Unless the possibility of holding and reselling is expressly excluded in the relevant Final Terms, all Notes so purchased by the Issuer may be held and resold in accordance with applicable laws and regulations for the purpose of enhancing the liquidity of the Notes.
- (l) ***Cancellation:*** All Notes redeemed or purchased for cancellation by or on behalf of the Issuer must be cancelled, in the case of Dematerialised Notes, by transfer to an account in accordance with the rules and procedures of Euroclear France and, in the case of Materialised Notes, by surrendering the relevant Temporary Global Certificate and the Definitive Materialised Notes in question together with all unmatured Receipts and Coupons and all unexchanged Talons, if applicable, to the Fiscal Agent. Any Notes so cancelled or, where applicable, transferred or surrendered for cancellation may not be re-issued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.
- (m) ***Illegality:*** If, by reason of any change in French law, or any change in the official application or interpretation of such law becoming effective after the Issue Date, it would become unlawful for the Issuer to perform or comply with one or more of its obligations under the Notes, the Issuer will, subject to having given not more than forty-five (45) nor less than thirty (30) calendar days' notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 14, redeem all, but not some only, of the Notes at their Early Redemption Amount together with any interest accrued to the date set for redemption (including, in the case of Subordinated Notes, any Arrears of Interest).

- (c) **Payments in the United States:** Notwithstanding the foregoing, if any Materialised Notes are denominated in U.S. Dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.
- (d) **Payments Subject to Fiscal Laws:** All payments are subject in all cases to (i) any applicable fiscal or other laws, regulations and directives but without prejudice to Condition 8 and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the “**Code**”) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, official interpretations thereof, or (without prejudice to the provisions of Condition 8) any law implementing an intergovernmental approach thereto. No commission or expenses shall be charged to the Noteholders, Receiptholders or Couponholders in respect of such payments.
- (e) **Appointment of Agents:** The Fiscal Agent, the Paying Agents, the Calculation Agent, the Redenomination Agent and the Consolidation Agent initially appointed by the Issuer and their respective specified offices are listed at the end of this Base Prospectus relating to the Programme of the Notes of the Issuer. The Fiscal Agent, the Paying Agents, the Redenomination Agent, the Consolidation Agent and the Registration Agent act solely as agents of the Issuer and the Calculation Agent(s) act(s) as independent expert(s) and, in each such case, do not assume any obligation or relationship of agency for any Noteholder or Couponholder. The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, the Redenomination Agent, the Consolidation Agent, the Registration Agent, the Calculation Agent(s) or the Put Agent and to appoint additional or other Fiscal Agents, Paying Agents, Redenomination Agents, Consolidation Agents, Registration Agents, Calculation Agents or Put Agents provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) one or more Calculation Agent(s) where the Conditions so require, (iii) a Redenomination Agent and a Consolidation Agent where the Conditions so require, (iv) one or more Paying Agents having specified offices in at least one (1) major European city (and ensuring the financial services of the Notes in Paris so long as the Notes are admitted to trading on Euronext Paris and in such other city where the Notes are admitted to trading, so long as the Notes are admitted to trading on any other Regulated Market), (v) in the case of Dematerialised Notes in fully registered form, a Registration Agent, (vi) a Put Agent and (vii) such other agents as may be required by the rules of, or applicable to, any other Regulated Market on which the Notes may be admitted to trading.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Materialised Notes denominated in U.S. Dollars in the circumstances described in paragraph (c) above.

On a redenomination of the Notes of any Series pursuant to Condition 1(d) with a view to consolidating such Notes with one or more other Series of Notes, in accordance with Condition 13, the Issuer shall ensure that the

same entity shall be appointed as both Redenomination Agent and Consolidation Agent in respect of both such Notes and such other Series of Notes to be so consolidated with such Notes.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders in accordance with Condition 14.

(f) ***Unmatured Coupons and Receipts and unexchanged Talons:***

- (i) Unless Materialised Notes provide that the relative Coupons are to become void upon the due date for redemption of those Notes, Materialised Notes should be surrendered for payment together with all unmaturing Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unmaturing Coupon (together, where applicable, with the amount of any Arrears of Interest corresponding to such Coupon) (or, in the case of payment not being made in full, that proportion of the amount of such missing unmaturing Coupon (together, where applicable, with the amount of any Arrears of Interest corresponding to such Coupon) that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Amortised Nominal Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of ten (10) years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 10).
 - (ii) If Materialised Notes so provide, upon the due date for redemption of any such Materialised Note, unmaturing Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
 - (iii) Upon the due date for redemption of any Materialised Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
 - (iv) Upon the due date for redemption of any Materialised Note that is redeemable in instalments, all Receipts relating to such Materialised Note having an Instalment Date falling on or after such due date (whether or not attached) shall become void and no payment shall be made in respect of them.
 - (v) Where any Materialised Note that provides that the relative unmaturing Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmaturing Coupons, and where any Materialised Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
 - (vi) If the due date for redemption of any Materialised Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, (including, for the avoidance of doubt, any Arrears of Interest if applicable) shall only be payable against presentation (and surrender if appropriate) of the relevant Definitive Materialised Note. Interest accrued on a Materialised Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Materialised Notes.
- (g) ***Talons:*** On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Materialised Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 10).
- (h) ***Business Days:*** If any date for payment in respect of any Note, Receipt or Coupon is not a business day, the Noteholder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, “**business day**” means a day (other than a Saturday or a Sunday) (A) (i) in the case of Dematerialised Notes, on which Euroclear France is open for business or (ii) in the case of Materialised Notes, on which banks and foreign exchange markets are open for business in the relevant place of presentation, (B) on which banks and foreign exchange markets are open for business in such jurisdictions as shall be specified as “**Financial Centre(s)**” in the relevant Final Terms and (C) (i) (in the case of a payment in a currency other than Euro), where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be

carried on in the relevant currency in the principal financial centre of the country of such currency or (ii) (in the case of a payment in Euro), which is a TARGET Business Day.

8 Taxation

- (a) **Withholding Tax:** All payments of principal, interest and other revenues by or on behalf of the Issuer in respect of the Notes, Receipts or Coupons shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.
- (b) **Additional Amounts:** If French law should require that payments of principal, interest or other revenues in respect of any Note, Receipt or Coupon be subject to withholding or deduction in respect of any present or future taxes, duties, assessments or governmental charges of whatever nature, the Issuer will, to the fullest extent then permitted by law, pay such additional amounts as shall result in receipt by the Noteholders or, if applicable, the Receiptholders or the Couponholders, as the case may be, of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon, as the case may be:
- (i) **Other Connection:** to, or to a third party on behalf of, a Noteholder, a Receiptholder or a Couponholder, who is liable to such taxes, duties, assessments or governmental charges by reason of his having some connection with the Republic of France other than the mere holding of the Note, Receipt or Coupon; or
- (ii) **Presentation more than 30 days after the Relevant Date:** in the case of Materialised Notes, more than thirty (30) calendar days after the Relevant Date except to the extent that the Noteholder, the Receiptholder or Couponholder would have been entitled to such additional amounts on presenting it for payment on or before the thirtieth (30th) such day of such time period.

As used in these Conditions, “**Relevant Date**” in respect of any Note, Receipt or Coupon means the date on which payment in respect of it first becomes due (and, for the avoidance of doubt, in the case of Arrears of Interests, reference to “becomes due” shall be interpreted in accordance with the provisions of Condition 5(i)) or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or, in the case of Materialised Notes (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note, Receipt or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation.

References in these Conditions to (i) “**principal**” shall be deemed to include any premium payable in respect of the Notes, all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Nominal Amounts and all other amounts in the nature of principal payable pursuant to Condition 6 or any amendment or supplement to it, (ii) “**interest**” shall be deemed to include all Interest Amounts and all other amounts (including, for the avoidance of doubt, all Arrears of Interests) payable pursuant to Condition 5 or any amendment or supplement to it and (iii) “**principal**” and/or “**interest**” shall be deemed to include any additional amounts that may be payable under this Condition.

9 Events of Default

The Representative of the *Masse* (as defined in Condition 11) upon written request of any Noteholder may, upon written notice to the Issuer, with a copy to the Fiscal Agent, cause all the Notes (but not some only) held by such Noteholder to become immediately due and payable whereupon they shall without further formality become immediately due and payable at their Early Redemption Amount, together with interest accrued to the date of repayment (including, where applicable any Arrears of Interest), if any of the following events with respect to Unsubordinated Notes and Subordinated Notes (“**Events of Default**”) occurs, unless such Events of Defaults have been cured by the Issuer prior to the receipt of such notice:

Unsubordinated Notes:

- (a) if any amount of principal or interest on any Unsubordinated Note shall not be paid by the Issuer on the due date thereof and such default shall not be remedied by the Issuer within a period of fifteen (15) calendar days from such due date; or

- (b) if the Issuer defaults in the due performance of any other obligation in respect of the Notes and such default continues for a period of thirty (30) calendar days (unless such default is not curable in which case such period shall not apply) following receipt by the Issuer of a written notice of such default from the Representative of the *Masse* (as defined in Condition 11); or
- (c) if (i) any other present or future Financial Indebtedness (as defined below) of the Issuer or any of its Material Subsidiaries (as defined below) becomes due and payable prior to its stated maturity by reason of any default, event of default or the like (howsoever described) in respect of such Financial Indebtedness and including, where applicable, after the delivery of any notice and/or the expiration of any applicable grace period required in order for such Financial Indebtedness to become so due and payable, or (ii) any such present or future Financial Indebtedness is not paid by the Issuer or any Material Subsidiary when due or, as the case may be, within any applicable grace period, or (iii) the Issuer or any of its Material Subsidiaries fails to pay when due or, as the case may be, within any applicable grace period, any amount payable by it under any present or future guarantee for, or indemnity in respect of, any Financial Indebtedness of the Issuer or any of its Material Subsidiaries (unless contested in good faith and by appropriate legal proceedings), and in each case referred to in (i) to (iii) above, where the aggregate amount of the relevant Financial Indebtedness and/or guarantees or indemnities, individually or in the aggregate, is equal to or in excess of an aggregate amount of Euro 50,000,000 (or its equivalent in any other currency);
- (d) if the Issuer is wound up or dissolved or ceases to carry on all or substantially all of its business except (i) in connection with a merger, consolidation, amalgamation or other form of reorganisation (including a management buy-out or leveraged buy-out) pursuant to which the surviving entity shall be the transferee of or successor to all or substantially all of the business of the Issuer and assumes all of the obligations of the Issuer with respect to the Unsubordinated Notes or (ii) on such other terms approved by a resolution of the General Meeting of Noteholders; or
- (e) if any judgment is issued for the judicial liquidation (*liquidation judiciaire*) or the transfer of the whole of the business (*cession totale de l'entreprise*) of the Issuer or any of its Material Subsidiaries in the context of insolvency or bankruptcy proceedings or the Issuer or any of its Material Subsidiaries is subject to any similar insolvency or bankruptcy proceedings whatsoever.

Subordinated Notes:

- (f) if any judgment is rendered by any competent court declaring (a) the transfer of the whole of the business (*cession totale de l'entreprise*) or the judicial liquidation (*liquidation judiciaire*) of the Issuer or (b) the Issuer is liquidated for any other reason.

- (f) any amount raised under any other transaction which is treated in accordance with the relevant accounting principles in the latest non-consolidated or consolidated balance sheet as financial debt (*emprunts et dettes financières*) (or, in the case of such amounts raised after the date hereof, would have been so treated had they been raised on or prior to such date);

Provided that:

- (i) for purposes of computing the outstanding principal amount of any Financial Indebtedness in paragraphs (a) to (f) above, any interest, dividends, commission, fees or the like shall be excluded save to the extent that they have been capitalised; and
- (ii) no amount shall be included or excluded more than once in calculating the amount of principal outstanding in respect of any Financial Indebtedness.

“**Material Subsidiary**” means at any time any Person in respect of which the Issuer owns directly or indirectly more than fifty (50) percent of the voting rights and which has Revalued Net Assets (as defined below) representing more than five (5) percent of the Revalued Net Assets of the Issuer, as calculated by reference to the Issuer's most recent audited annual or unaudited semi-annual consolidated financial statements.

Claims against the Issuer for payment in respect of the Notes, Receipts and Coupons (which for this purpose shall not include Talons) shall be prescribed and become void unless made within ten (10) years (in the case of principal) or five (5) years (in the case of interest) from the appropriate Relevant Date in respect of them.

11 Representation of Noteholders

The Noteholders will, in respect of all Tranches of the relevant Series, be grouped automatically for the defence of their common interests in a *masse* (the “**Masse**”) which will be governed by the provisions of articles L.228-46 *et seq.* of the French *Code de commerce* with the exception of R.228-61, R.228-69, R.228-79 and R.236-11 of the French *Code de commerce* and as supplemented by this Condition 11.

(a) *Legal Personality*

The *Masse* will be a separate legal entity and will act in part through a representative (the “**Representative**”) and in part through collective decisions of the Noteholders (the “**Collective Decisions**”).

The *Masse* alone, to the exclusion of all individual Noteholders, shall exercise the common rights, actions and benefits which may accrue with respect to the Notes.

(b) *Representative*

The names and addresses of the Representative and its alternate (if any) will be set out in the relevant Final Terms. The Representative appointed in respect of the first Tranche of any Series of Notes will be the Representative of the single *Masse* of all subsequent Tranches in such Series.

The Representative will be entitled to such remuneration in connection with its functions or duties as set out in the relevant Final Terms. No additional remuneration is payable in relation to any subsequent Tranche of any given Series.

In the event of death, liquidation, retirement, resignation or revocation of appointment of the Representative, such Representative will be replaced by its alternate, if any. Another Representative may be appointed.

All interested parties will at all times have the right to obtain the names and addresses of the Representative and the alternate Representative (if any) at the registered office of the Issuer.

(c) *Powers of the Representative*

The Representative shall (in the absence of any Collective Decision to the contrary) have the power to take all acts of management necessary in order to defend the common interests of the Noteholders, with the capacity to delegate its powers.

All legal proceedings against the Noteholders or initiated by them, must be brought by or against the Representative.

(d) *Collective Decisions*

Collective Decisions are adopted either in a general meeting (the “**General Meeting**”) or by consent following a written consultation (the “**Written Resolution**”) (as further described in Condition 11(d)(ii) below).

In accordance with Article R.228-71 of the French *Code de commerce*, the rights of each Noteholder to participate in Collective Decisions will be evidenced by the entries in the books of the relevant Account Holder or the Issuer or the Registration Agent (as the case may be) of the name of such Noteholder as of 0:00 Paris time, on the second (2nd) business day in Paris preceding the date set for the Collective Decision.

Collective Decisions must be published in accordance with Condition 11(h).

The Issuer shall hold a register of the Collective Decisions and shall make it available, upon request, to any subsequent holder of any of the Notes of such Series.

(i) General Meetings

A General Meeting may be called at any time, either by the Issuer or by the Representative. One or more Noteholders, holding together at least one-thirtieth (1/30) of the principal amount of Notes outstanding, may address to the Issuer and the Representative a demand for a General Meeting to be called. If such General Meeting has not been called within two (2) months after such demand, the Noteholders may commission one of them to petition the competent court to appoint an agent (*mandataire*) who will call the General Meeting.

General Meetings may deliberate validly on first convocation only if the Noteholders present or represented hold at least one-fifth (1/5) of the principal amount of the Notes then outstanding. On second convocation, no quorum shall be required. The decisions of the General Meeting shall be taken by a two-third (2/3) majority of votes held by the Noteholders attending such General Meeting or represented thereat.

Notice of the date, time, place and agenda of any General Meeting will be published in accordance with Condition 11(h) not less than fifteen (15) calendar days prior to the date of the General Meeting on first convocation and not less than five (5) calendar days prior to the date of the General Meeting on second convocation.

Each Noteholder has the right to participate in a General Meeting in person, by proxy or by correspondence.

Each Noteholder or representative thereof will have the right to consult or make a copy of the text of the resolutions which will be proposed and of the reports, if any, which will be presented at the General Meeting, all of which will be available for inspection by the relevant Noteholders at the registered office of the Issuer and at any other place specified in the notice of the General Meeting, during the fifteen (15) calendar day period preceding the holding of the General Meeting on first convocation, or during the five (5) calendar day period preceding the holding of the General Meeting on second convocation.

(ii) **Written Resolutions and Electronic Consent**

Pursuant to Article L. 228-46-1 of the French *Code de commerce* the Issuer shall be entitled in lieu of the holding of a General Meeting to seek approval of a resolution from the Noteholders by way of a Written Resolution. Subject to the following sentence, a Written Resolution may be contained in one document or in several documents in like form, each signed by or on behalf of one or more of the Noteholders. Pursuant to Articles L. 228-46-1 and R. 225-97 of the French *Code de commerce*, approval of a Written Resolution may also be given by way of electronic communication allowing the identification of Noteholders (“**Electronic Consent**”).

Written Resolutions shall not have to comply with formalities and time limits referred to in Condition 11(d)(i) above. Any Written Resolution shall, for all purposes, have the same effect as a resolution passed at a General Meeting of such Noteholders.

For the purpose hereof, a “**Written Resolution**” means a resolution in writing signed by the Noteholders of not less than ninety (90) per cent. in nominal amount of the Notes outstanding.

(e) ***Expenses***

The Issuer shall pay all expenses relating to the operations of the *Masse*, including all expenses relating to the calling and holding of Collective Decisions and, more generally, all administrative expenses resolved upon by Collective Decisions, it being expressly stipulated that no expenses may be imputed against interest payable under the Notes.

(f) ***Single Masse***

The holders of Notes of the same Series, and the holders of Notes of any other Series which have been assimilated with the Notes of such first mentioned Series in accordance with Condition 13(a), shall, for the defence of their respective common interests, be grouped in a single *Masse*.

(g) ***Sole Noteholder***

If and for so long as the Notes of any Series are held by a sole Noteholder and unless a Representative has been appointed in relation to such Series, such Noteholder shall exercise all powers, rights and obligations entrusted to the *Masse* by the provisions of the French *Code de commerce*. The Issuer shall hold a register of the decisions taken by the sole Noteholder in this capacity and shall make it available, upon request, to any subsequent holder of any of the Notes of such Series.

(h) ***Notices to Noteholders***

Any notice to be given to Noteholders in accordance with this Condition 11 shall be given in accordance with Condition 14(e) below.

(i) **Outstanding Notes**

For the avoidance of doubt, in this Condition 11 “outstanding” shall not include those Notes purchased by the Issuer, or on its behalf, or by any of its subsidiaries pursuant to Article L.213-0-1 of the French *Code monétaire et financier* that are held by it in accordance with Article D.213-0-1 of the French *Code monétaire et financier* and not cancelled.

12 Replacement of Definitive Materialised Notes, Receipts, Coupons and Talons

If, in the case of any Materialised Notes, a Definitive Materialised Note, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and Regulated Market regulations, at the specified office of the Fiscal Agent or such other Paying Agent as may from time to time be designated by the Issuer for this purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Definitive Materialised Note, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Definitive Materialised Notes, Receipts, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Materialised Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

13 Further Issues and Consolidation

- (a) **Further Issues:** The Issuer may from time to time without the consent of the Noteholders, Receiptholders or Couponholders create and issue further notes to be assimilated (*assimilées*) with the Notes provided such Notes and the further notes carry rights identical in all respects (or identical in all respects save for the issue date, issue price, first payment of interest and nominal amount of the Tranche) and that the terms of such further notes provide for such assimilation and references in these Conditions to “Notes” shall be construed accordingly.
- (b) **Consolidation:** The Issuer may, if so specified in the applicable Final Terms, with the prior approval of the Redenomination and Consolidation Agents (which shall not be unreasonably withheld), from time to time on any Interest Payment Date occurring on or after the Redenomination Date on giving not less than thirty (30) calendar days' prior notice to the Noteholders in accordance with Condition 14, without the consent of the Noteholders, Receiptholders or Couponholders, consolidate the Notes of one Series denominated in Euro with the Notes of one or more other Series issued by it, whether or not originally issued in one of the European national currencies or in Euro, provided such other Notes have been redenominated in Euro (if not originally denominated in Euro) and which otherwise have, in respect of all periods subsequent to such consolidation, the same terms and conditions as the Notes.

14 Notices

- (a) Notices to the holders of Dematerialised Notes in registered form (*au nominatif*) shall be valid if either (i) they are mailed to them at their respective addresses, in which case they will be deemed to have been given on the fourth (4th) Business Day (being a day other than a Saturday or a Sunday) after the mailing or, at the option of the Issuer, (ii) they are published in a leading daily newspaper of general circulation in Europe (which is expected to be the *Financial Times*); provided that, so long as such Notes are admitted to trading on any Regulated Market and the rules applicable to such Regulated Market so require, notices shall be valid if published in a daily newspaper with general circulation in the city/ies where the Regulated Market on which such Notes are admitted to trading is located which, in the case of Euronext Paris, is expected to be *Les Echos*, and as otherwise required by the applicable rules of that Regulated Market, as the case may be.
- (b) Notices to the holders of Materialised Notes and Dematerialised Notes in bearer form (*au porteur*) shall be valid if published in a leading daily newspaper of general circulation in Europe (which is expected to be the *Financial Times*) and so long as such Notes are admitted to trading on any Regulated Market and the applicable rules of that Regulated Market so require, in a leading daily newspaper with general circulation in the city/ies where the Regulated Market on which such Notes are admitted to trading is located which, in the case of Euronext Paris, is expected to be *Les Echos*, and as otherwise required by the applicable rules of that Regulated Market, as the case may be.
- (c) If any such publication is not practicable, notice shall be validly given if published in another leading daily newspaper with general circulation in Europe, provided that, so long as such Notes are admitted to trading on

any Regulated Market, notice shall be published as otherwise required by the applicable rules of that Regulated Market, as the case maybe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the date of the first publication as provided above. Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Materialised Notes in accordance with this Condition.

- (d) Notices required to be given to the holders of Dematerialised Notes (whether in registered or in bearer form) (*au nominatif* or *au porteur*) pursuant to these Conditions may be given by delivery of the relevant notice to Euroclear France, Euroclear, Clearstream and any other clearing system through which the Notes are for the time being cleared in substitution for the mailing and publication as required by Conditions 14(a), (b) and (c) above; except that so long as such Notes are admitted to trading on any Regulated Market and the applicable rules of that Regulated Market so require, notices shall also be published in a daily newspaper with general circulation in the city/ies where the Regulated Market(s) on which such Notes are admitted to trading is/are located, which, in the case of Euronext Paris, is expected to be *Les Echos*, and as otherwise required by the applicable rules of that Regulated Market, as the case may be.

15 Governing Law and Jurisdiction

- (a) **Governing Law:** The Notes (and, where applicable, the Receipts, the Coupons and the Talons) are governed by, and shall be construed in accordance with, French law.
- (b) **Jurisdiction:** Any claim against the Issuer in connection with any Notes, Receipts, Coupons or Talons will be submitted to the exclusive jurisdiction of the competent courts in Paris.

TEMPORARY GLOBAL CERTIFICATES ISSUED IN RESPECT OF MATERIALISED NOTES

Temporary Global Certificates

A Temporary Global Certificate, without interest Coupons, will initially be issued in connection with Materialised Notes. Upon the initial deposit of such Temporary Global Certificate with a common depository for Euroclear and Clearstream (the “**Common Depository**”), Euroclear or Clearstream will credit the accounts of each subscriber with a nominal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid.

The Common Depository may also credit with a nominal amount of Notes the accounts of subscribers with (if indicated in the relevant Final Terms) other clearing systems through direct or indirect accounts with Euroclear and Clearstream held by such other clearing systems. Conversely, a nominal amount of Notes that is initially deposited with any other clearing system may similarly be credited to the accounts of subscribers with Euroclear, Clearstream or other clearing systems.

Exchange

Each Temporary Global Certificate issued in respect of Materialised Notes will be exchangeable, free of charge to the holder, on or after its Exchange Date (as defined below):

- (i) if the relevant Final Terms indicates that such Temporary Global Certificate is issued in compliance with the C Rules or in a transaction to which TEFRA is not applicable (as to which, see “General Description of the Programme – Selling Restrictions”), in whole, but not in part, for the Definitive Materialised Notes; and
- (ii) otherwise, in whole but not in part upon certification if required under U.S. Treasury regulation section 1.163-5(c)(2)(i)(D)(3) (or any successor regulation issued under the Code section 4701(b) that contains rules identical to the rules that currently apply under Code section 163(f)(2)(B)) as to non-U.S. beneficial ownership (a form of which shall be available at the specified offices of any of the Paying Agents) for Definitive Materialised Notes.

While any Materialised Note is represented by a Temporary Global Certificate, any payment payable in respect of such Materialised Note prior to the Exchange Date (as defined below) will be made only to the extent that the certification described in (ii) above has been received by Euroclear and/or Clearstream, and Euroclear and/or Clearstream, as applicable, has given a like certification (based on the certification received) to the relevant Paying Agent. The holder of a Temporary Global Certificate will not be entitled to collect any payment due thereon on or after the Exchange Date unless, upon due certification as described above, exchange of the Temporary Global Certificate for an interest in Definitive Materialised Notes is improperly refused or withheld.

Delivery of Definitive Materialised Notes

On or after its Exchange Date, the holder of a Temporary Global Certificate may surrender such Temporary Global Certificate to, or to the order of, the Fiscal Agent. In exchange for any Temporary Global Certificate, the Issuer will deliver, or procure the delivery of, an equal aggregate nominal amount of duly executed and authenticated Definitive Materialised Notes. In this Base Prospectus, Definitive Materialised Notes means, in relation to any Temporary Global Certificate, the Definitive Materialised Notes for which such Temporary Global Certificate may be exchanged (if appropriate, having attached to them all Coupons and Receipts in respect of interest or Instalment Amounts that have not already been paid on the Temporary Global Certificate and a Talon). Definitive Materialised Notes will be security printed in accordance with any applicable legal and Regulated Market requirements. Forms of such Definitive Materialised Notes shall be available at the specified offices of any of the Paying Agent(s).

Exchange Date

“**Exchange Date**” means, in relation to a Temporary Global Certificate, the day falling after the expiry of forty (40) calendar days after its issue date, provided that, in the event any further Materialised Notes which are to be assimilated with such first-mentioned Materialised Notes are issued prior to such day pursuant to Condition 13(a), the Exchange Date for such Temporary Global Certificate shall be postponed to the day falling after the expiry of forty (40) calendar days after the issue date of such further Materialised Notes.

TAXATION

The following is a general description of certain tax considerations relating to the holding Notes. This description does not purport to be a complete analysis of all tax considerations relating to the Notes. It is included herein solely for information purposes and is not intended to be, nor should it be construed to be, legal or tax advice. Prospective purchasers of Notes should consult their own tax advisers as to which countries' tax laws could be relevant to acquiring, holding and disposing of Notes and the consequences of such actions under the tax laws of those countries. This general description is based on the legislation as in effect on the date of this Base Prospectus and is subject to any change in legislation and interpretation hereof that may take effect after such date (potentially with a retroactive effect).

France

Withholding tax

The following is an overview of certain withholding tax considerations that may be relevant to holders of the Notes who do not concurrently hold shares of the Issuer.

Payments of interest and other revenues made by the Issuer on the Notes will not be subject to the withholding tax set out under Article 125 A III of the French General Tax Code unless such payments are made outside France in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of Article 238-0 A of the French General Tax Code (a “**Non-Cooperative State**”). If such payments under the Notes are made outside France in a Non-Cooperative State, a 75% withholding tax will be applicable (subject to certain exceptions described below and the provisions of an applicable double tax treaty) pursuant to Article 125 A III of the French General Tax Code. The list of Non-Cooperative States is published by a ministerial executive order, which is updated on a yearly basis.

Furthermore, according to Article 238 A of the French General Tax Code, interest and other revenues on such Notes are not deductible from the Issuer's taxable income (in circumstances where it would otherwise be deductible), if they are paid or accrued to persons domiciled or established in a Non-Cooperative State or paid to an account opened in a financial institution established in a Non-Cooperative State (the “**Non-Deductibility**”). Under certain conditions, any such non-deductible interest and other revenues may be recharacterised as constructive dividends pursuant to Articles 109 *et seq.* of the French General Tax Code, in which case such non-deductible interest and other revenues may be subject to the withholding tax set out under Article 119 *bis* 2 of the French General Tax Code, at a rate of (i) 12.8% for payments benefiting individuals who are not French tax residents, (ii) 30% (to be aligned on the standard corporate income tax rate set forth in Article 219-I of the French General Tax Code for fiscal years beginning as from 1 January 2020) for payments benefiting legal persons who are not French tax residents or (iii) 75% for payments made outside France in a Non-Cooperative State (subject to certain exceptions described below and the provisions of an applicable double tax treaty).

Notwithstanding the foregoing, neither the 75% withholding tax provided by Article 125 A III of the French General Tax Code nor the Non-Deductibility or the withholding tax set out under Article 119 *bis* 2 of the French General Tax Code that may be levied as a result of such Non-Deductibility will apply in respect of a particular issue of Notes provided that the Issuer can prove (i) that the main purpose and effect of such issue of Notes were not that of allowing the payments of interest or other revenues to be made in a Non-Cooperative State (the “**Exception**”) and (ii) in respect of the Non-Deductibility that (a) it benefits from the Exception and (b) the relevant interest or other assimilated revenues relate to genuine transactions and are not in an abnormal or exaggerated amount. In addition, pursuant to the *Bulletin Officiel des Finances Publiques-Impôts* (BOI-INT-DG-20-50-20140211 No. 550 and No 990, BOI-RPPM-RCM-30-10-20-40-20140211 No. 70 and No. 80 and BOI-IR-DOMIC-10-20-20-60-20150320 No. 10), an issue of Notes benefits from the Exception without the Issuer having to provide any evidence supporting the main purpose and effect of such issue of Notes, if such Notes are:

- (i) offered by means of a public offer within the meaning of Article L. 411-1 of the French Monetary and Financial Code or pursuant to an equivalent offer in a State other than a Non-Cooperative State. For this purpose, an “equivalent offer” means any offer requiring the registration or submission of an offer document by or with a foreign securities market authority; or
- (ii) admitted to trading on a regulated market or on a French or foreign multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and the operation of such market is carried out by a market operator or an investment services provider, or by such other similar foreign

entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or

- (iii) admitted, at the time of their issue, to the operations of a central depository or of a securities delivery and payments systems operator within the meaning of Article L. 561-2 of the French Monetary and Financial Code, or of one or more similar foreign depositories or operators provided that such depositories or operators are not located in a Non-Cooperative State.

Where the paying agent (*établissement payeur*) is established in France, pursuant to Article 125 A I of the French General Tax Code and subject to certain exceptions, interest and similar revenues received by individuals who are fiscally domiciled (*domiciliés fiscalement*) in France are subject to a 12.8% withholding tax, which is deductible from their personal income tax liability in respect of the year in which the payment has been made. If the amount of this withholding tax exceeds the amount of personal income tax due, the excess is refundable. Social contributions (CSG, CRDS and other related contributions) are also levied by way of withholding at an aggregate rate of 17.2% on such interest and similar revenues received by individuals who are fiscally domiciled (*domiciliés fiscalement*) in France.

United States of America - Foreign Account Tax Compliance Act

Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended (“**FATCA**”) impose a new reporting regime and potentially a 30% withholding tax with respect to certain payments to (i) any non-U.S. financial institution (a “**foreign financial institution**”, or “**FFI**” (as defined by FATCA)) that does not become a Participating FFI by entering into an agreement with the U.S. Internal Revenue Service (“**IRS**”) to provide the IRS with certain information in respect of its account holders and investors or is not otherwise exempt from or in deemed compliance with FATCA and (ii) any investor (unless otherwise exempt from FATCA) that does not provide information sufficient to determine whether the investor is a U.S. person or should otherwise be treated as holding a “United States account” of the Issuer (a “**Recalcitrant Holder**”). The new withholding regime is now in effect for payments from sources within the United States and will apply to “foreign passthru payments” (a term not yet defined) no earlier than 1 January 2019. This withholding would potentially apply to payments in respect of (i) any Notes characterized as debt (or which are not otherwise characterized as equity and have a fixed term) for U.S. federal tax purposes that are issued after the “grandfathering date”, which is the date that is six months after the date on which final U.S. Treasury regulations defining the term foreign passthru payment are filed with the Federal Register, or which are materially modified after the grandfathering date and (ii) any Notes characterized as equity or which do not have a fixed term for U.S. federal tax purposes, whenever issued. If Notes are issued on or before the grandfathering date, and additional Notes of the same series are issued after that date, the additional Notes may not be treated as grandfathered, which may have negative consequences for the existing Notes, including a negative impact on market price.

The United States and a number of other jurisdictions have entered into intergovernmental agreements to facilitate the implementation of FATCA (each, an “**IGA**”). Pursuant to FATCA and the “Model 1” and “Model 2” IGAs released by the United States, an FFI in an IGA signatory country could be treated as a “Reporting FI” not subject to withholding under FATCA on any payments it receives. Further, an FFI in an IGA jurisdiction generally would not be required to withhold under FATCA or an IGA (or any law implementing an IGA) (any such withholding being “**FATCA Withholding**”) from payments it makes. Under each Model IGA, a Reporting FI would still be required to report certain information in respect of its account holders and investors to its home government or to the IRS. The United States and France have entered into an agreement (the “**U.S.-France IGA**”) based largely on the Model 1 IGA.

If the Issuer is characterized as an FFI for the purposes of FATCA, the Issuer expects to be treated as a Reporting FI pursuant to the U.S.-France IGA and does not anticipate being obliged to deduct any FATCA Withholding on payments it makes. There can be no assurance, however, that the Issuer will be treated as a Reporting FI, or that it would in the future not be required to deduct FATCA Withholding from payments it makes. Accordingly, the Issuer and financial institutions through which payments on the Notes are made may be required to withhold FATCA Withholding if (i) any FFI through or to which payment on such Notes is made is not a Participating FFI, a Reporting FI, or otherwise exempt from or in deemed compliance with FATCA or (ii) an investor is a Recalcitrant Holder.

Whilst the Notes are held within the ICSDs, it is expected that FATCA will not affect the amount of any payments made under, or in respect of, the Notes by the Issuer, any paying agent and any common depository and/or common safekeeper, given that each of the entities in the payment chain between the Issuer and the participants in the ICSDs is a major financial institution whose business is dependent on compliance with FATCA and that any alternative approach introduced under an IGA will be unlikely to affect the Notes. The documentation expressly contemplates the possibility that the Notes may go into definitive form and therefore that they may be taken out of the ICSDs. If this were to happen, then a non-FATCA compliant holder could be subject to FATCA Withholding. However, definitive Notes will only be printed in remote circumstances.

FATCA is particularly complex and its application is uncertain at this time. The above description is based in part on regulations, official guidance and the U.S.-France IGA, all of which are subject to change or may be implemented in a materially different form. Prospective investors should consult their tax advisers on how these rules may apply to the Issuer and to payments they may receive in connection with the Notes.

All prospective Noteholders should seek independent advice as to their tax positions.

SUBSCRIPTION AND SALE

Summary of the Dealer Agreement

Subject to the terms and on the conditions contained in an amended and restated dealer agreement dated 6 March 2018 between the Issuer, the Arranger and the Permanent Dealers (the “**Dealer Agreement**”), the Notes will be offered by the Issuer to the Permanent Dealers. However, the Issuer has reserved the right to sell Notes directly on its own behalf to Dealers that are not Permanent Dealers. The Notes may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer. The Notes may also be sold by the Issuer through the Dealers acting as agents of the Issuer. The Dealer Agreement also provides for Notes to be issued in syndicated Tranches that are underwritten by two or more Dealers.

The Issuer will pay each relevant Dealer a commission (if any) as agreed between them in respect of Notes subscribed by such Dealer.

The Issuer has agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Notes. The Dealer Agreement entitles the Dealers to terminate any agreement that they make to subscribe Notes in certain circumstances prior to payment for such Notes being made to the Issuer.

Selling Restrictions

General

These selling restrictions may be modified by the agreement of the Issuer and the Dealers in particular following a change in a relevant law, regulation or directive. Any such modification or supplement will be set out in a supplement to this Base Prospectus.

No action has been taken in any jurisdiction that would permit an offer to the public of any of the Notes, or possession or distribution of the Base Prospectus or any other offering material or any Final Terms, in any country or jurisdiction where action for that purpose is required.

Neither the Issuer nor any of the Dealers represents that Notes may at any time lawfully be sold in compliance with any applicable registration or other requirements in any jurisdiction, or pursuant to any exemption available thereunder, or assumes any responsibility for facilitating such sale.

Each Dealer has agreed, and each further Dealer appointed under the Programme will be required to agree, that it shall comply, to the best of its knowledge and belief after due inquiry, with all relevant laws, regulations and directives in each jurisdiction in which it purchases, offers, sells or delivers Notes or has in its possession or distributes the Base Prospectus, any other offering material or any Final Terms and that it will obtain any consent, approval or permission required for the purchase, offer or sale of Notes under the laws and regulations in force in any jurisdiction in which it makes such purchase, offer or sale. None of the Issuer or any other Dealer shall have responsibility therefore.

European Economic Area

If the Final Terms in respect of any Notes specifies the “Prohibition of Sales to EEA Retail Investors” as “Not Applicable”, in relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each a **Member State**), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree that it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Base Prospectus as completed by the Final Terms in relation thereto in a Member State of the EEA except that it may make an offer of Notes in that Member State of the EEA:

- (i) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (ii) at any time to fewer than 150, natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (iii) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in paragraphs (i) to (iii) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression “**Prospectus Directive**” means Directive 2003/71/EC, as amended.

This EEA selling restriction is in addition to any other selling restrictions set out above or below.

Prohibition of Sales to EEA Retail Investors

Unless the Final Terms in respect of any Notes specifies the “Prohibition of Sales to EEA Retail Investors” as “Not Applicable”, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered, sold or otherwise made available and will not offer, sell or otherwise make available any Notes which are the subject of the offering contemplated by this Base Prospectus as completed by the Final Terms in relation thereto to any retail investor in the European Economic Area. For the purposes of this provision, the expression “**retail investor**” means a person who is one (or more) of the following:

- (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; or
- (ii) a customer within the meaning of IMD, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II.

France

Each of the Dealers has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree that:

- (a) it has not offered or sold and will not offer or sell, directly or indirectly, any Notes to the public in France and it has not distributed or caused to be distributed and will not distribute or cause to be distributed to the public in France, the Base Prospectus, the relevant Final Terms or any other offering material relating to the Notes and such offers, sales and distributions have been and will be made in France only to (i) providers of investment services relating to portfolio management for the account of third parties (*personnes fournissant le service d'investissement de gestion de portefeuille pour compte de tiers*), and/or (ii) qualified investors (*investisseurs qualifiés*), other than individuals, acting for their own account, all as defined in, and in accordance with, Articles L. 411-1, L. 411-2 and D. 411-1 of the French *Code monétaire et financier*; and
- (b) Materialised Notes may only be issued outside of France.

United Kingdom

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree that:

- (i) in relation to any Notes which have a maturity of less than one (1) year, (a) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (b) it has not offered or sold and will not offer or sell any Notes other than to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses where the issue of the Notes would otherwise constitute a contravention of section 19 of the FSMA (as defined in section “General Description of the Programme” thereof) by the Issuer;
- (ii) it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which Section 21(1) of the FSMA does not apply to the Issuer; and
- (iii) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to such Notes in, from or otherwise involving the United Kingdom.

United States

The Notes have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the “**Securities Act**”), or the securities laws of any state or other jurisdiction of the United States and may not be offered or sold, directly or indirectly, within the United States or to, or for the account or benefit of, U.S. persons, except in certain transactions exempt from the registration requirements of the Securities Act and applicable state securities laws. The Notes are being offered and sold only outside of the United States to non-U.S. persons in reliance on Regulation S under the Securities Act (“**Regulation S**”). Terms used in this paragraph have the meanings given to them by Regulation S.

Materialised Notes are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986, as amended (the “**Code**”) and regulations thereunder.

Each Dealer has represented, warranted and agreed and each further Dealer appointed under the Programme will be required to represent, warrant and agree that it has not offered or sold and it will not offer, sell or, in the case of Materialised Notes, deliver, Notes (i) as part of their distribution at any time or (ii) otherwise until forty (40) calendar days after the completion of the distribution of any identifiable Tranche of which such Notes are a part (the “**Distribution Compliance Period**”), as determined, and certified to the Issuer, by the Fiscal Agent, or in the case of Notes issued on a syndicated basis, the Lead Manager, within the United States or to, or for the account or benefit of, U.S. persons, and it will have sent to each dealer to which it sells Notes during the Distribution Compliance Period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons. Terms used in this paragraph have the meanings given to them by Regulation S.

In addition, until forty (40) calendar days after the commencement of the offering of any identifiable Tranche, an offer or sale of Notes within the United States by any dealer (whether or not participating in the offering of such Tranche) may violate the registration requirements of the Securities Act.

This Base Prospectus has been prepared by the Issuer for use in connection with the offer and sale of the Notes outside the United States. The Issuer and the Dealers reserve the right to reject any offer to purchase the Notes, in whole or in part, for any reason. This Base Prospectus does not constitute an offer to any person in the United States. Distribution of this Base Prospectus by any person outside the United States to any U.S. person or to any other person within the United States is unauthorised and any disclosure without the prior written consent of the Issuer of any of its contents to any such U.S. person or other person within the United States, is prohibited.

Any person who subscribes or acquires Notes will be deemed to have represented, warranted and agreed, by accepting delivery of this Prospectus or delivery of the Notes, that it is subscribing or acquiring the Notes in compliance with Rule 903 of Regulation S in an “offshore transaction” as defined in Regulation S, or pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act.

Japan

The Notes have not been and will not be registered under the Financial Instruments and Exchange Act of Japan (Act No. 25 of 1948, as amended; the “**FIEA**”) and each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not, directly or indirectly, offered or sold and will not, directly or indirectly, offer or sell any Notes in Japan or to, or for the benefit of, any resident of Japan (as defined under Item 5, Paragraph 1, Article 6 of the Foreign Exchange and Foreign Trade Act (Act No. 228 of 1949, as amended), or to others for re-offering or resale, directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan, except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the FIEA and other relevant laws, regulations and ministerial guidelines of Japan.

FORM OF FINAL TERMS

[MIFID II PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ECPs ONLY TARGET MARKET - Solely for the purposes of [the/each] manufacturer’s product approval process, the target market assessment in respect of the Notes, taking into account the five (5) categories referred to in item 18 of the Guidelines published by European Securities and Markets Authority (“**ESMA**”) on 5 February 2018 has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended “**MiFID II**”); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. [*Consider any negative target market.*] Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the manufacturer[’s/s’] target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer[’s/s’] target market assessment) and determining appropriate distribution channels.]¹

[PROHIBITION OF SALES TO EEA RETAIL INVESTORS - The Notes are not intended to be offered, sold or otherwise made available to and, with effect from such date, should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (“**EEA**”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of [Directive 2014/65/EU (as amended, “**MiFID II**”)]/[MiFID II]; or (ii) a customer within the meaning of Directive 2002/92/EC (as amended, the “**Insurance Mediation Directive**”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the “**PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPS Regulation.]²
